AMERICAN PRADA settled three wide behind, let the pace battle play out up front, then moved up through the turn to loom four-wide at the top of the stretch, had a little trouble changing leads in upper stretch but finished up well once straightened out and edged clear in the final yards. GROUP PHOTO pressed the pace from the inside, had a brief lead turning into the lane, fought gamely but could not go with the winner in the late stages. RUNAWAY DAISY rushed up after a tardy start to be up with the early pace battle, backed off approaching the seven-sixteenths marker, swung around the field late on the turn to bid four to five wide into the stretch, and rallied into third. MY KENTUCKY CHROME was unable to keep up with the early pace battle, chased through the turn, and kept to task to improve a couple of positions in the stretch. GHOST GODDESS veered in after the start, then dropped far back before the turn, raced four to five wide, and was only able to pass a couple of tired foes in the stretch. ALL MARKED UP had the best speed from the start, set the pace from between horses getting pressure from both side through the turn, gave way near the quarter pole, then had little to offer in the stretch. M G SHOWOFF pressed the pace four, then three-wide to the top of the stretch, then tired. This race had a timing discrepancy or malfunction and was re-timed using video technology to arrive at the most accurate final time.
