**Footnotes | [View Glossary Of Terms](#)**

KAZ OIL CHANGER was hustled to the front, contested the pace on the inside of an opponent, dropped from the two path to the inside on the turn, was roused near the five-sixteenths pole, battled off the rail while put to a right-handed crop in upper stretch, came out inside the furlong marker, fought with the runner-up into the final sixteenth and gamely turned back that rival to prevail. PROBABILITY brushed with a rival at the start then was hustled, tracked the pace on the outside then in the four path early on the turn, was roused outside the five-sixteenths pole, moved to the five path while making a bid late on the bend, spun into the stretch in the six path, battled outside of foes while remaining on his inside lead into the final furlong, swapped to the proper lead after being pulled in by the rider shortly thereafter, fought into the final sixteenth and was turned away while clear for the place. ALZERO broke out and brushed with a foe while off a step slow then was taken up, spotted the front a few lengths, settled on the outside at the rear, was roused in the two then three path on the turn, came into the stretch in the four path then moved further out, drifted out around the sixteenth-pole and lacked the needed response while able to safely secure the show. EXECUTIVE MOVE came outward at the start, disputed the pace on the outside, vied in the three path on the turn, was roused near the quarter-pole, battled under a drive in upper stretch, dropped back into the final furlong and tired. VOLATILE SITUATION was urged along towards the back, saved ground on the turn, came off the rail into the stretch and failed to respond.
