Footnotes | [View Glossary Of Terms](#)

E COMPICATO set the early pace then dueled PANIC MODE coming around the turn from the inside and just lasted in the drive to prove best. PANIC MODE lunged and stumbled at the break then rushed up nearing the turn and dueled for pace from the two path but just missed at the wire. GRAB MY TAB chased the pace from the two to three path on the turn then rallied in the deep stretch but was short. ELEVATED POWER settled at the back on the inside and made no bid. This race had a timing discrepancy or malfunction and was re-timed using video technology to arrive at the most accurate times.
