Footnotes | [View Glossary Of Terms](#)

NEWS AT TEN (GB) dueled briefly leaving the chute then cleared first time through the stretch, controlled the pace through the early going, took pressure between the five-sixteenths and quarter pole, put that rival away in upper stretch and stayed clear to the wire. DYNODAVE stalked off the rail then steered to the inside, crept closer on the backstretch, followed the leader through the far turn, angled out into the stretch, angled in a bit midstretch, finished determinedly in the last sixteenth and edged CALL ME SIR for the place honors. CALL ME SIR settled in the two path, moved forward in the middle stages, asked between rivals on the far turn, steered out into the lane, finished willingly through the final furlong and got edged by DYNODAVE for second. HENRY ADAMS (IRE) unhurried in the opening rounds and moved inside, coaxed along saving ground on the far turn, stayed on the fence in the lane, finished well and missed the place and show. IN THE TANK dueled briefly leaving the chute then took a stalking position in the two path, drew alongside the leader outside the quarter pole, lost touch with the leader in upper stretch, remained close through the lane but could not summon the needed late kick. AMERICAN GLORY (GB) dropped back to last, saved ground through both turns, moved off the fence near the eighth pole, kept trying in the furlong

grounds but needed to find more. FACTOR ANALYSIS traveled two wide near the back, chased three deep into the lane, angled out and failed to rally. AMPLITUDE bumped with KING OF CLUBS a couple times at the start, bumped with that rival again leaving the chute, stalked in the three path around the first turn, continued three wide into the far turn, entered the lane in the four path and weakened. KING OF CLUBS bumped with AMPLITUDE twice leaving the gate, bumped with that rival again entering the lane for the first time, tracked outside a pair of rivals, stayed off the rail up the backstretch, went two wide around the far turn and tired.
