YO SOY ROY settled out in the three path in the second flight, tracking the leaders through very slow early splits, stayed in the clear through the far turn, then swung out six or seven wide for the stretch run and powered past the field to win going away. FLY RED BIRD FLY hopped at the start, then moved up through the first turn to race in the middle of the field along the rail, was a little hard to place, stuck behind the slow pace with no clear path, waited for room through the far turn, finally got clear four wide at the top of the stretch, and finished up well to gain second. POLLITO TITO was pushed from the break to get to the front, then managed to slow down the pace to a crawl despite being between rivals, remained prominent to the far turn, then responded when the pace picked up approaching the stretch, and finished up well while getting out-nodded for the place. HEATS HERO was the inside horse in the three-way early pace mix, put a head in front on the far turn, kept on well into the stretch, but was overtaken in the final furlong. KING OF GRACE was allowed to settle at the rear through the first turn, moved up into the mix in the run down the backstretch, was close up on the rail headinginto the turn but without a clear path forward, waited, then took advantage of an opening along the rail turning for home, but was outfinished in the final furlong. ADGER raced three-wide in the clear at the back of the field through the first half-mile, loomed approaching the stretch, but lacked a finish. DAPILOT raced three-wide in the leading group, then was outkicked in the sprint to the finish.
