Footnotes | [View Glossary Of Terms](#)

KISS MY DICE hustled away from the gate but was not quick enough to contest the early pace, chased under a drive through the turn, tipped out three wide into the stretch, finished with a strong rally, closed the gap on the leader through the final yards, and was just up at the wire. BLINGSTER hustled away to get a good forward position, tracked the pace to the turn, had to be ridden along as the leading pair pulled away from the rest midway through the turn, kept up the chase through the turn, came out a path into the stretch, took over the lead in upper stretch, drew clear in the late stages, but was nailed at the wire. SCATTERED MISCHIEF raced near the back early, took the inside path through the turn, and kept on late to move up into the third spot. KISSIN RICHES was last away then made a forward move late on the backstretch run to be in third position and two-deep on the turn, loomed a threat approaching the quarter pole, then flattened out in the stretch. TEXAS MOON dropped back after a level start to race near the back into the turn, then lacked a rally. WITT'S LIL RINGER was sent hard from the gate and seized the early lead before going a furlong, shook off an early challenge from SHE'S EXTRA heading into the turn, got a length clear at the quarter pole, led the field into the stretch, but weakened in the final furlong. SHE'S EXTRA was outpaced early despite coaxing from the rider, moved up to contest lead at the half-mile pole but was turned away midway through the turn, dropped back and faltered in the stretch. INDY LA PRIMERA was a little slow to begin, rushed up then steadied in tight quarters before the half-mile pole, went four-wide through the turn, was under a drive and urging past the quarter pole, and faltered in the stretch.
