Footnotes | [View Glossary Of Terms](#)

ANOTHER LAST DANCE unhurried early while dropping back to trail, began to advance one out from the rail midway down the backstretch, continued with a two wide rally through the final turn, and closed with a rush one out from the rail in the drive to get up in the final strides. I'M IN CONTROL away alertly and tracked the leader into the backstretch while saving ground at the rail, shifted off the rail to launch her bid two wide entering the final turn, took a narrow lead into the lane, and just failed to last. WHY NOTS A WYNNER raced to the lead from along the rail entering the first turn, dictated the pace in the run down the backside and into the final turn, was overtaken turning for home, and gave way grudgingly late. COMMANDS ATTENTION settled off the early pace while racing two wide entering the backstretch, rallied two wide entering the final turn, and finished evenly one out from the rail in the drive. MISS SUNDAZE away well and tracked the pacesetter into the backstretch while racing one out from the rail, commenced her bid three wide into the final turn while trying to stay in contact with the leaders, and faded in the late going. BRODYS SOUVENIR broke sharply and stalked the leaders two wide into the first turn, began to drop back in the run to the final turn while racing at the rail, and had little to show late.
