HE'S SUPER WICKED broke well, dueled outside of A THOUSAND ARROWS early, then kicked on past the quarter pole with a pair of rivals in pursuit, held sway under steady handling. BLACK CLOUD ducked in at the start and bumped with SERRANO'S WARRIOR at the start, tracked behind the pacesetters, then finished up well to gain second. V CUT raced four-wide through the initial stages, moved up through the turn to bid four-wide at the top of the stretch, loomed a big threat but had trouble changing leads, hung, and was outkicked to the wire. I BET YOU WONT chased the field early, saved ground through the turn, and managed to pass a couple of rivals late. SERRANO'S WARRIOR got bumped by BLACK CLOUD at the start, stalked the pace down the backstretch, then bid three-wide at the top of the stretch but was outfinished in the late stages. A THOUSAND ARROWS sent hard from the break, dueled inside a rival through the turn, then gave way in the stretch. This race had a timing discrepancy or malfunction and was re-timed using video technology to arrive at the most accurate time.
