Footnotes | [View Glossary Of Terms](#)

HEAT UM UP broke on top, got some early pressure from a pair of rivals on the inside, went together with FOUR JIM through the turn, always traveling better than that one, responded positively when set down at the top of the stretch, and held clear late. HOOS FOOS tracked off the pace from mid-pack, advanced to be in range of the leaders approaching the quarter pole, then finished up well under left-handed urging up the rail, but could not threaten the winner. ANOTHER CROSSBOW veered out at the start, forcing the outer rival out as well, tracked the dueling leaders three-wide down the backstretch, was under heavy pressure on the turn, came out five-wide into the stretch, and ran on some to gain the third spot. HE MIGHT GO got floated out at the break, trailed well behind the rest early, then showed some late interest in the stretch and improved. CHIEF BROWN was sent up into the early pace mix, then came under a stiff drive past the half-mile pole, could not keep up with the dueling leaders, moved out to the three-path to set up a late bid, but flattened out. FOUR JIM hustled to the lead, dueled inside of HEAT UM UP through the early stages, then tired in the stretch.
