Footnotes | [View Glossary Of Terms](#)

RUBY CANTU allowed the pace to go early, moved off the rail in hand early first turn, continued to be patiently handled in the run up the backstretch, began to slowly advance while off the inside late in the second turn, called on for run into the straight while three wide, moved out a path further and kicked down the pacesetter in the late going to be edging away at the wire. SKY ROCKER fidgety in the gate prior to the start, broke with the field, took control under the wire the first time, edged clear through the first turn inside through a lively opening quarter, continued to set a quick pace the middle half mile, shook off nearest pursuer when straightened for home, failed to contain the winner in the waning strides, lasted for the place. OPTIMISTIC COWGIRL devoid of early foot, three wide when beginning to wind up in the second turn, shifted out widest for the drive and continued to run on to be in time for the show. TAKE MY PICTURE broke near the back, moved up to race in mid pack inside, continued to save ground into the final turn, switched out for the drive, staged a modest rally while outkicked late for the show spot. BLOOD ORANGE also broke back, void of any early foot, continued well back far turn, four wide for the drive, modest, belated rally to improve by passing mostly tiring rivals. KAUSE I'M DEVINE last to leave, raced well back, also showed some modest late energy to pick off a couple of faltering foes as well. KISSIN RICHES settled off that rapid early back, has little left for the drive as she backed up. IMALUCKYCHARM broke on top, asked to keep up, prompted the runner up through those quick early splits, stopped in the drive. KISS MY DICE in mid pack through the first turn while outside, was finished after five furlongs.
