VIOLENCE IN RED showed the way from the three path into the turn, merged to the rail early around the turn, waited confidently, was cued from the two path at the top of the lane, and kicked away to be much the best. BILOBA raced off the pace in the two path, rounded the turn under a drive, angled out to the seven path in upper stretch, and ran on to be second best. UNAUTHORIZED laid up close along the inside, waited behind the winning pacesetter around the turn, tipped out to the three path turning into the lane, but finished evenly for show. HOVLAND tracked between rivals, was cued from the two path midway around the turn, floated out to the five path entering the stretch, and faded. COMING SOON stalked outside of foes, was roused in the three path midway around the turn, took aim in the six path at the top of the lane, but flattened. CIRCLE ME chased in the four path but did not threaten. SUPER HAPPY had a slow start and trailed early, pulled along the rail to rush up entering the turn, angled out to the four path while coming under a ride midway around the turn, but was tired in the six path at the top of the stretch. GUN BOLT raced off the pace in the three path early but never menaced.
