APPLE SLICE tracked the pace along the inside, waited patiently for a clear path around the far turn, continued without clear racing room in upper stretch, tipped two wide near the eighth pole, given cue, responded willingly and got a nose up on the wire. MAMA GLOWS raced five paths wide heading into the first turn and settled just off the early pace, advanced three wide to challenge duo at the quarter pole, took over the lead at the head of the lane, widened to a clear advantage, kept under some mild encouragement late and got nipped on the wire. BACK NINE vied inside of rival around the first turn and continued to battle past the quarter pole, got collared by MAMA GLOWS at the head of the lane, weakened but remained clear for a share. REGAN'S TWIST stalked the early pace three to four wide, failed to progress under pressure around the far turn and gave way. WHY CHRIS WHY raced in the back, saved ground and lacked a needed rally. MOEDE'S BEJEWELED dueled outside of rival around the first turn, continued to battle around the far turn then tired in the drive.
