BATTLESHIPPER broke on top and led the way in opening stages, vied inside of ADDASQUECKTOIT around the turn, shook free at the head of the lane, widened advantage under pressure and held clear. ADDASQUECKTOIT was forwardly placed soon after the start, vied outside of BATTLESHIPPER around the turn, could not match strides with eventual winner at the head of the lane, but ran on with response and secured second best. FLAT STORMIN was off slow at the start and spotted the field five lengths, gained closer contention mid-way around the turn, hustled along three wide through the lane and prevailed for a share. AMY Z sat off the top pair and saved ground in opening stages, saved ground around the turn, hustled along the inside entering the head of the lane, edged closer then evened out late and lost show. TEATOTAL raced off the clear top pair around the turn, chased three wide in the lane and lacked the needed kick for serious impact. GUNITE MAX tracked the top pair in early stages, chased two wide around the turn then gave way in the lane. This race had a timing discrepancy or malfunction and was re-timed using video technology to arrive at the most accurate time.
