POSETIVELY PERFECT dueled outside of SURPRISING CODE from the start, was unable to shake free of that foe through the turn, battled on into the lane, then edged ahead in deep stretch. SUPRISING CODE ducked out after the break, bothering both horses in the adjacent stalls, was then sent to the front, dueled with POSETIVELY PERFECT from the outside, was headed inside the furlong marker but kept on trying to the finish. MISS PAIRODOCS took contact from both sides at the break, took a few strides to get going then rushed up after that tardy start to join the early pace battle near the half-mile pole, was under pressure to keep up late on the turn, and could only chase the top pair through the stretch. RUBY'S POSSE stumbled leaving the gate then ducked out into AROA, tracked well behind the pace, finished evenly, mildly gaining in ground in the late stages. AROA hit the left side of the gate at the start then was forced to alter course at the start to avoid RUBY'S POSSE, rushed up after that chaotic start, was kept in a drive and finished up willingly despite tiring in the stretch, but was unable to make up the lost ground. SANOVIV lost the path and took up shortly after the start, moved to the rail, settled inside, then lacked a rally. SUNSHINE SISTER broke in, bumped with MISS PAIRODOCS then steadied after losing the path just after the start, dropped far behind, and trailed throughout.
