Footnotes | [View Glossary Of Terms](#)

T M T HIGH ROLLER went three-wide on the first turn, stayed two or three paths off the rail while tracking behind the dueling leaders, came out four-wide into the stretch, and finished strong to win going away under a drive. DECALAGE raced three to five wide throughout, then rallied into second. FLYING CYCLONE hustled away from the break, dueled outside of a rival, put that one away at the quarter pole, went clear in the stretch, but failed to last. M ONE was getting out a bit into the first turn, settled near the back in the three-path, and went evenly late to improve slightly. LISTOS LAST RIP ducked out at the start, hugged the inside rail through the last turn and mildly improved. REIGN IN THE RAIN broke well, dueled inside of a rival through the early stages, then gave way approaching the quarter pole and had little left from that point. RIVER AFFAIR was allowed to settle near the rail, saved ground to no avail to the stretch, then lacked a finish. RIVER WONDER bore on the first turn, lost contact with the field down the backstretch, and was not persevered with late, eased, and walked off.
