Footnotes | [View Glossary Of Terms](#)

EL OREJON tipped out early on and tracked the pace about four wide through the turn and swung out eight wide into the upper while assuming command, then drifted in and held off an approaching foe to prove best. BATTALION LEADER settled mid-pack and came about five wide on the turn and swung out nine wide into the upper, then made a late rally while drifting inwards but just missed. I'M MISCHIEVOUS vied for the pace early on and shifted to the inside, then came about three to two wide into the upper and weakened but held the show award. CANDY ROAD settled back early on and came about six or seven wide along the turn, then moved in nearing the upper to be five to three wide but flattened out. GIGGITY tracked the pace from the two path and angled out into the upper to be four wide but needed a rally. EFATA settled back early in the four path and came about seven wide into the upper but had no kick. IL VAGABUNDO broke out at the start and vied early for the pace from the three path, then cut to the inside nearing the bottom of the turn and faded in the stretch.
