GOT A COMPLEX was nudged along slightly getting control in the early going inside a couple of challengers, opened up at will by the three eighths marker setting a brisk pace, had a commanding advantage at the top of the stretch and cruised in comfortably for the gate to wire score. AINT NO GIRLY GIRL was in good position, all alone watching the front pair in the early stages, moved up on the rail for the second position but was well behind the dominant winner around the bend and never gave in through the lane closing the gap on the leader while all the time holding off rivals to be second best on this day. SILVERDART prompted the early pace going three deep outside foes down the back straight, chased the frontrunner in vain by the three furlong pole, battled for the secondary share outside at the quarter marker and continued to fight for second place share with an inside rival down the lane but lost the duel settling for the show money instead at the end. BEACH CRICKET broke with the field but was slow getting into full stride trailing the pack down the backside, shifted out at the five sixteenths pole coming to a runner, moved out five wide for the drive to the wire and came with a solid late run having a good turn of foot in the final sixteenth of a mile. BLUE'S MOMMY had a stalking role watching the lead three down the back straight, lost ground while taken the short way around the bend to see the field with a quarter still to run and had little to offer on the fence in the stretch running.
