BEDAZZLE ME was in tight quarters on the fence with the two outside foes bearing in going into the first turn, continued on the rail in the middle of the pack down the back straight, started to close in on the far turn by the quarter pole, posed the main threat coming on three wide at the top of the lane took over control from the frontrunner leaving the furlong marker and won going away at the finish line. MOTION GRANTED tossed his head on the break, then was hard ridden going under the wire for the first time under right handed encouragement intent with getting the lead from the outside, angled inwards going into the first of two turns getting loose on the lead, continued uncontested on the engine, quickening the wind aided tempo along the backside, still remained up top but by a diminishing margin at the quarter pole, still was holding on just off the fence in upper stretch but could not fend off the winner outside in the final furlong while comfortably besting the rest at the finish line. DAZZLING CRUISER was under a snug hold galloping along in last just off the fence in the beginning, co-trailed outside another at the half, was roused at the five sixteenths pole making little gain on the far turn, moved to the five path for the stretch run and finished up mildly to just get up being a distant third when crossing the finish line. MOHAYMEN DIAMOND was steadied between rivals lacking room when the outside pacesetter angled inwards heading into the initial bend, recovered to track the loose leader along the backside, began to inch up when rousing for more at the three furlong pole to in with a chance with a quarter mile to go, remained in the hunt in the four path in upper stretch but could not finish up late, stalling in the final furlong to be nabbed at the wire for the third place share. STARSHIP SERENITY had a stalking position on the rail ahead of only one other rival in the beginning, shared the rear inside at the half mile marker, could not keep up with runners when relegated to last at the five sixteenths pole and needed more inside horses in the drive to the wire, finishing up one paced in the late going. STEWARD'S INQUIRY AND RIDERS CLAIM OF FOUL #5 MOYAYMEN DIAMOND AGAINST #6 MOTION GRANTED ENTERING THE FIRST TURN RESULTED IN #6 MOTION GRANTED BEING PLACED THIRD FOR INTERFERENCE
