Footnotes | [View Glossary Of Terms](#)

CARNEW had a good set-up waiting on the rail drafting just behind the pacesetter down the backside as well as throughout the turn, scraped paint threading the needle when called upon for more in upper stretch and boldly darted through a tight seam inside at the sixteenth pole to win going away at the finish line. SAMMYSAURUS REX controlled the pace in the early going up top, continued on the front end with mild pressure applied by the outside rival around the oval, determinedly was clinging onto the lead with runners bearing down from the left and right in upper stretch, did not switch leads through the lane but still fought on valiantly to be a solid best behind the winner who have a dream trip. KOKOMO prompted the issue on the outside down the backstretch, chased in earnest outside around the bend, shifted to the three-path battling outside at the head of the lane, never wavered to the finish line, just missed getting up late for the place share while capturing the show money instead at the wire. HIGHLAND BLUE settled under a snug hold in the middle of the pack at the half, was coaxed along saving ground inside two others sharing the rear through the turn, angled out in the four path with a chance for a piece of the prize in touch of the leaders straightening out for the drive but could only finish up gradually to garner a minor share in the end. MY COVENANT stalked close to the back with runners on either side, remained part of the back trio still between horses around the bend, swung out widest in the five path in upper stretch but could not get involved in the late running. POCKET SPEED was well held going three deep at the back, tried to circle around rivals four wide on the turn but to no avail by the quarter marker and emptied out in the three path by mid-stretch.
