AUSSIE HYPER tracked the pacesetter on the outside, edged up by the half, moved in to battle outside bobbing heads for the lad with the inside frontrunner throughout the final bend, shifted to the three path between foes finally wearing down the early leader inside by the sixteenth pole and cleared off late to win going away at the finish line. PRINCESSONAMMISSION had good inside position drafting the behind the pacesetter for the first part of the two turn race, sat all alone watching the engaged duo with a half mile still to run, shifted out being coaxed for more at the quarter pole to be four wide in the mix at the head of the lane outside of rivals, plugged away throughout the stretch and finished up good but non-threatening second best at the wire. ECLIPTICAL LADYBUG assumed command from the outside setting a soft pace, remained up top by a narrow margin while pressed outside down the backstretch at the half, battled head-to-head midway through the final turn inside, determinedly continued to fight it out between foes with a furlong to go but faded in the late going to hold for the show award. SERENADING AMAYA trailed the field on the first turn, lagged behind seeming to be uninterested along the backside, could see the field but was coming up to runners at the quarter pole, lengthened stride just off the fence turning for home, shifted out at the four path with a furlong to go and found its best stride late to be a fringe player in the end. POWAQA broke a step slow on the start, stalked close to the back end inside of horses in the early going, started to uncork a rally under a busy ride at the quarter pole, moved in hugging the rail in upper stretch in with a chance for a piece of the prize early in the stretch running but flattened out inside of rivals by the sixteenth pole. RELOAD EH travelled three wide settling near the rear outside of foes in the first of two turns, galloped along having only one runner beaten along the backside, made little impression around the second bend and emptied out in the five path at the top of the stretch.
