Footnotes | [View Glossary Of Terms](#)

RYO AMAZING was unhurried ahead of only one rival in the beginning, started to go around foes well in hand throughout the turn, swooped past horses

one by one outside at the quarter pole, swung out widest in the six path at the top of the lane with a full head of steam and powered past numerous rivals to take the lead leaving the sixteenth pole and won going away impressively at the wire. NO MISTAKE had a nice set up drafting being the pacesetter in the early stages, shifted out off the frontrunners cover to bid two wide between horses in upper stretch, got a head in front briefly at the sixteenth pole but could not withstand the winners late kick outside while comfortably besting the rest for the runners up share at the finish line. ANELA KAI got shuffled back on the fence losing positioning at the half, could see the field in midturn, shifted out starting to reach for more ground three wide at the quarter pole, had the four path at the top of the stretch still well back though and had a powerful late burst coming from the clouds on the outside in the final seventy yards to be a clear third at the wire. THAT'S A FACT stalked close to the back having the three path, made little headway two wide in turn running, angled to the four path between horses appearing to be spinning her wheels at the eighth pole then all of a sudden found another gear getting to the outside late and finished up with good energy to capture a minor role in the end. MY EMMY was taken up leaving the chute trailing down the backside, started to commence a run but was going four wide outside or runners at the three eighths pole to do so, shifted to the five path with the eventual winner on her outside in upper stretch but stalled in the final furlong and could not get involved late. SYMPATICO advanced outside five deep initially to come on pressing the pace with the inside leader at the half, chased in earnest two wide around the bend, remained in the hunt angling out to the three path in upper stretch but could not find more in the late stages and gave way between runners in the final sixteenth of a mile. RESENTLESS PURSUIT had the lead on the rail along the backstretch, cleared away up top under a speedy tempo throughout the turn, was still holding onto the front end having the rail taking the corner, surrendered the lead coming up to the sixteenth pole and wilted in the final seventy yards losing many positions very late. UR HEART settled in the middle of the pack three deep outside foes, progressed mildly three wide around the bend, battled in the four path for a minor share at the top of the lane but yielded in deep stretch like so many others as well. HEARTY CHRISTINI broke in brushing with the inside foe, recouped to track the engaged duo outside of another at the half, was scrubbed for more at the five sixteenths pole but the leader was slipping away further, hugged the rail in with a chance for a small share at the furlong pole, could not continue on and flattened out in the late going. CALL ME MISSLUCKY was in tight quarters soon after the break settling near the rear just off the fence, travelled three wide on the turn unable to keep up to runners on each side who were making a run at the five sixteenths pole, offered a brief spurt closing the gap skimming the fence turning for home but weakened inside of horses by deep stretch. FEATHERWEIGHT travelled with runners on either side in mid-pack with the field sorting itself out at the half mile marker, kept pace inside horses around the oval, shifted to the two path for the drive to the wire but failed to menace in the late going. SACRED PRAYER broke out exchanging brushes with the outside foe on the break, settled inside in mid-division at the half, retreated on the rail throughout the turn, could see the field on the fence straightening out for home and was not factor in the stretch running.
