Footnotes | [View Glossary Of Terms](#)

RED WEAVER was under a snug hold on the rail just up top down the backstretch from two others, edged away for a clear advantage in midturn, shifted out to the two path at the head of the lane, had rivals on either side coming on in upper stretch, appeared to have lost the lead briefly bobbing heads with the inside rival seventy yards from the line but fought back and inched away at the wire for the gritty win. RIDE FOR THE PURSE was well placed on the rail watching the engaged trio early in the backstretch running, inched up on the lead pair inside at the quarter pole, skimmed the fence threatening at the top of the lane, darted up inside at the sixteenth pole going nose to nose in deep stretch with the winner but just lost the battle at the wire in a close finish. HIGHLAND BLUE broke in at the start, pressed the issue three deep outside leaving the gate and through the backstretch, shadowed the frontrunner outside around the bend, angled to the three path dueling outside two others at the top of the stretch but could not continue on with the front pair in the final furlong and easily bested the others for the show award. SWITCHIN' TO GLIDE settled on the outside in mid-division, was relegated to the rear while two wide at the three eighths pole, started to come on inside runners turning for home and ran on mildly inside rivals to get the nod at the wire for a minor share. BEE ME had the rear outside of the compact group at the half mile marker, made little headway for position three wide on the turn but closed the gap at the quarter pole, swung out widest in the five path turning for home but could only finish up one paced losing the duel outside for the minors. CATEGORY FIVE vied between runners in the early going, dropped back off the lead group by the half, came under a ride between horses in midfield around the turn, shifted four wide for the drive to the wire but tired with runners on each side at the furlong pole.
