Footnotes | [View Glossary Of Terms](#)

MAYNARD'S SONG was unhurried galloping along finding his stride trailing the field on the fence down the backside, saved all the ground still lagging behind the group in the turn running, skimmed the fence picking up speed turning for home and stormed home on the rail in the final furlong to get up for the last to first win in the final few jumps. LAKE COMO HEIST had a slim lead on the inside of another while controlling the pace just off the fence, continued to keep ahead in front still in the two path around the bend, shifted out two to three wide holding off rivals in upper stretch, stayed on the incorrect lead throughout the stretch run and was nabbed by the charging winner inside in the shadow of the wire. ASHUKA prompted the pace outside down the backstretch, continued to be a thorn in the frontrunners right side hounding the pace throughout the turn, shifted to the three path in mix at the top of the lane and finished up willingly to be a clear but distant third in the end. CASTLE HARBOUR stalked close to the back between horses, shifted out three wide at the quarter pole picking up the bit, moved out widest in the in the six path getting a clear lane for the drive to the wire but could only run on mildly passing tired foes settling on the fringes but could not threaten the top three at the finish line. GLORIOUS REVENGE had a good spot drafting behind the frontrunner under a snug hold down the backstretch, continued to sit back just off the leader on the turn waiting for the cue to go, had the two path in the mix at the top of the stretch but failed to fire in the final furlong. POILIEVRE was well positioned between runners keeping a close eye of the front duo down the backstretch, remained between foes sitting just back off the contested twosome around the oval, had the three path at the head of the lane but lacked a finishing rally with challengers on either side in the stretch drive. IMPERIAL WAR travelled four deep outside foes down the backstretch by the half, tracked the dueling pair taking the outside route going three wide on the bend, angled out to the five path giving way to others tiring in upper stretch and could not play a role in the last eighth of a mile. ENCORE MO was outside of rivals near the rear end in the early running, travelled three to four wide but was going in

the wrong direction by the quarter pole, shifted five wide trailing the field in upper stretch but could not factor in the running down the lane.
