Footnotes | [View Glossary Of Terms](#)

GUERRA was away alertly getting the jump between horses at the start, galloped along loose on the lead on the first turn, remained unchallenged slowing the already soft pace down even further down the backstretch, was nudged for more holding inside with company bearing down at the quarter pole, under a well rationed ride had more when confronted outside in upper stretch to spurt away slightly at the furlong marker and was hard ridden on the fence in deep stretch clinging onto the lead and found just enough to last at the finish line inside for the front end tally. PRETTY CAPABLE veered out on the break, was content to sit off the frontrunner applying very little pressure outside under a dawdling pace, moved in two wide outside at the five sixteenths pole forcing the issue, loomed boldly in the two path turning for home, drifted inwards for a couple of strides under right handed urging having to be straightened out losing momentum briefly at the furlong pole, determinedly resurged between runners in the very late going but was second best by a slim margin in a thrilling blanket finish at the wire. MAD WORLD rated kindly on the fence cantering along at the tail end well within striking distance throughout, was nudged for more keeping pace with the engaged duo at the five sixteenths pole with the tempo quickening, angled to the three path having clear run and aim outside on the front duo at the top of the lane, started to reach for more ground closing in sharply in the final sixteenth of a mile and almost got there in the end but was on the wrong end of a tight three way win photo.
