FOREST VIXEN was allowed to settle at the rear finding her stride down the backside, began to pick up runners smartly inside at the half, started to reach for even more ground midway on the turn, angled out to the five path with a full head of steam and powered past the contesting leaders outside with a sixteenth to run to win going away for the stretch running victory. TATOOSONMYSOUL had a slow start to begin, was nudged for more getting a better inside position by the five eighths pole just behind the pacesetter, waited to move while comfortably travelling watching the engaged duo on the turn, shifted out closing in sharply by the quarter pole, darted to the fence from the three path in upper stretch making a bid by the furlong marker inside the leader but could not match strides with the overpowering winner outside in deep stretch and settled for the runners up share at the finish line. CRUMLIN BEAST co-trailed on the outside at the half, made little headway inside challengers taking the short way through the turn, came with a smart turn of foot three wide in upper stretch, lacked running room having to be checked coming up to a weary early leader at the sixteenth pole, shifted outside for clear run but could only recover in time to capture the show award at the finish line. VICTORIA ELIZABETH prompted the issue on the outside early on, took closer order to bid outside for the front three furlongs from the wire, edged away for a clear lead by the quarter pole, narrowly maintained the lead in the three path at the furlong marker, gave way up top with late charging rivals from either side making a run with a sixteenth remaining and settled for a minor share in the end. ENCHANTED FOREST settled in midfield outside down the backstretch, was scrubbed three wide with rivals on either side but was going in the wrong

direction through the turn, angled out seven wide straightening for home and rallied in the final sixteenth of a mile with good late energy to pass a few tiring foes in deep stretch. NO WHAMMIE stalked four deep near the rear outside runners, made little progression outside foes in the running around the bend, shifted out widest in the eight path turning for home but could not get involved outside horses in the stretch running. GRACE ON THE GREEN travelled in the middle of the pack inside another down the back straight, was hard ridden trying to rally outside with the eventual winner midway around the turn and had little to offer six wide in the drive to the wire between rivals. SILENT TRIBUTE was under a snug hold setting the pace inside along the backstretch, was collared outside by a rival at the three eighths pole, offered little resistance by the quarter marker inside and folded on the fence with an eighth of a mile to run.
