Footnotes | [View Glossary Of Terms](#)

THIS DUDE A BREEZE rated kindly nestled on the rail watching the lead duo, continued to have a nice set up tucked isolated watching the contesting trio at the seven sixteenths pole, sat poised on the far turn shifting out at the quarter pole waiting for the cue, pounced in the five path between horse s straightening out for home and when asked for more with a furlong remaining drew off impressively for the late running tally. ONENIGHTSTANDARDS hesitated on the break, co-trailed outside going four wide on the beginning bend, made no progression outside down the backstretch, started to lengthen stride when roused three wide at the five sixteenths pole, swung out widest with five abreast turning for home in the conversation up top in upper stretch, was no match for the winner in the final eighth of a mile but still finished up strongly easily besting the rest for the secondary share. DELIAN LEAGUE shared the rear on the inside with the field moving in pairs for the first half, made little movement inside around the last turn, skimmed the fence making a rally at the top of the stretch, switched out off the tiring early leaders at the furlong marker and ran on mildly to be all alone at the wire for the show money. MILITARY FORCE tracked the lead pair outside another in the beginning, edged up three deep along the backside to bid outside the top two at the seven sixteenths pole, travelled widest in the three path battling outside on the final turn, had the four path with runners on both sides in the hunt in upper stretch but faded in the final eighth of a mile to settle on the fringes in the end. SWAN LAKE forced the pace outside going three wide, hounded the leader outside along the back straight, vied between foes fighting on the front end around the final turn, had the three path inside four the thick of things turning for home but had little to give late wilting at the furlong marker. ALLEY OOP JOHNNY had the lead just off the rail around the first bend, set a soft pace having a narrow advantage inside down the backstretch, was scrubbed on having the five at the five sixteenths pole clinging onto the lead through the far turn, had the two path inside four others battling up top at the head of the lane but could not find more in the late running and folded on the rail by the furlong pole.
