Footnotes | [View Glossary Of Terms](#)

MITOLE POWER bobbled at the start trailing the group along the backside, continued to see the field finding her stride through the turn, shifted out four wide at the quarter pole gathering momentum, was full of run widest having a clear path six wide outside foes turning for home and relentlessly mowed down the pacesetter nearing the finish line. VICTORIA ELIZABETH emerged from the pack to poke her head in front inside another with a half mile to run, maintained a slim advantage dueling inside up top through the bend, edged away from the early speed rival in upper stretch but could not fend off the late charge by the winner outside at the wire. REALLY THIRSTY pressed the issue outside along the back straight, continued to battle on outside for the front end around the turn, chased in vain in upper stretch with the leader inching away by the eighth pole and finished up well enough to save the third place share at the line. NO WHAMMIE had a stalking role three deep on the outside near the rear, made no progression outside another on the oval, shifted out to the five path between foes at the top of the lane with a chance for a piece of the prize and finished up mildly to be a fringe player in the end. MI TORMENTA travelled on the rail in mid-division along the backside, settled in the third flight inside rivals making little impression around the bend, skimmed the fence dueling for a minor share with runners outside in upper stretch but needed more late and yielded by the sixteenth pole. SILENT TRIBUTE had a good trip isolated watching the contesting duo along the backside, was urged for more midturn but was losing ground to the embattled pair up front, shifted out four wide for the stretch drive but lacked a rally down the lane.
