Footnotes | [View Glossary Of Terms](#)

PARTY ON settled close to the back of the pack in the three path between horses, moved comfortably on the rail in midfield around the bend, shifted out at the quarter pole coming with a run, spilt foes four wide reaching for more ground turning for home, darted inside to the rail moving in for the lead at the sixteenth pole and won going away at the finish line. CITORI broke sharp loose on the lead along the backside, continued unchallenged setting a scorching pace up top through the turn, still was well in control three wide in upper stretch, began to weaken by the furlong marker clinging onto the lead and gave way to the winner inside in the final sixteenth of mile. STEALIN'TIME stalked on the outside going four deep down the backstretch, kept pace with rivals that were just ahead while just off the fence around the bend, shifted out finding a seam in the four path entering the stretch and with good late energy closed in to capture the show money at the wire. EPISODE tracked the frontrunner inside in the early going, chased the leader but was making little gain through the oval, remained in the mix for a small share inside foes having the three path in upper stretch but faded late holding for only the minor role in the end. SHOOTIN' AMY was void of early foot trailing the field along the backside, lagged well behind in the turn running, scraped paint saving all the ground entering the stretch and caught a weary foe inside in the final eighth. JUST PRAY travelled on the outside of another watching the lone speed down the back straight, tried to hold position three wide outside foes in midfield around the turn, swung out widest in the five path in upper stretch, shortened stride never switching leads down the lane and wilted on the outside by the furlong pole.
