Footnotes | [View Glossary Of Terms](#)

COMMANDER WORSLEY had the rail position in midfield by the half, had a sharp turn of foot shifting off the fence by the five sixteenths pole, loomed boldly four wide at the top of the lane and went on by with ease having a sixteenth left to go and drew off convincingly in deep stretch. TIGER TOWN was loose up top along the backside, cruised along unopposed throughout the turn, still had command at the furlong pole, could not find more to fend off the winner outside when collared with a sixteenth to run but stayed on easily to be second best at the wire. RIDE FOR THE PURSE was situated near the back with runners on either side while travelling in the two path, co-trailed inside another at the five sixteenths pole, shifted out finding his best stride eighth wide at the top of the lane and surged on the outside by multiple runners with seven yards from home to the get the show money at the finish line. ALPHA KADIN was forced on out the break, co-trailed inside at the half, took the short way around the turn making a move at the quarter marker, skimmed the rail closing the gap straightening out for the drive and had a good late rally inside foes to beat out a few rivals at the wire for the minor share in the end. GRAFFITI WRITER broke out on the start, kept a close eye on the leader down the backstretch, dropped back slightly midway through the bend, had a chance for a piece of the prize three wide turning for home and was one paced being involved in a late scramble for a minor role at the finish line. CONACHER moved well sitting just back off the leader in the early stages, tracked the leader inside on the turn, was in the hunt in the two path in upper stretch, drifted out at the sixteenths pole and weakened in the late stages. PRIME PLUS ONE was in tight between horses on the break to trail after the gates opened up, made a brief rally improving outside foes at the three eighths marker, angled five wide at the top of the stretch but could not get involved stuck behind runners in mid-stretch. DROP YOUR GLOVES settled in the middle of the pack outside others, made little impression between rivals on the oval, shifted seven wide at the top of the lane and finished with good late interest trying to get involved late for a small share of the prize. SPRUNG LOOSE watched the frontrunner while in the three path outside in the early going, chased the leader while just off the rail around the bend midturn, shifted out four wide with a quarter mile from home, angled to be in the six path for the drive to the wire but wilted between horses in the final furlong. MY BOY BRUCE was bumped on the inside at the start, stalked in the three path outside another down the backside, was part of the trailing quartet at the half, could see the field four wide through the turn, swung out widest in the nine path in upper stretch but could not factor in the late running.
