Footnotes | [View Glossary Of Terms](#)

GOING LUCKY was forwardly placed tracking the leader while between runners early on, waited to move in poised in the two path having challengers on either side on the oval, pounced outside three wide in upper stretch and drew away convincingly when asked at the furlong marker to get the win with an impressive debut. KATHERINE'S CUB popped up then was in tight being pinched between runners on the break, improved along the backside to sit in midfield outside a rival by the half, closed the gap on the turn smartly reaching for more ground in the two path between horses at the quarter pole, was no match for the winner in the lane but with a solid late charge outside in the final eighth of a mile got up nearing the finish line to be second best. LET'S GO SOUPER was nudged along to emerge with the lead on the rail leaving the chute, rolled along up top setting an even pace up front through the turn, offered no resistance when collared outside by the winner in mid-stretch and was just caught for the secondary share in the last few strides before the wire. MO ARGENTO had the rail in the second flight keeping in touch with the frontrunner down the backside, continued to keep pace with rivals while saving all the

ground around the bend, shifted out in the two path at the furlong pole and finished up evenly to settle for a minor share in the end. TEQUILASOUPERNOVA tracked the pacesetter while going three deep outside foes along the backside, inched up taking the overland route around runners three wide on the turn, shifted to the five path with a chance turning for home but failed to fire outside horses in the later stages. LADY ON THE NILE had the fence travelling in mid-division with a half mile remaining, took the short way throughout the turn holding its own inside rivals but had little to offer down the lane lacking a rally on the fence in deep stretch. MANIFESTING was void of early speed sharing the rear inside another at the half, narrowed the margin on the leader while between foes going three wide around the bend, angled out to the five path for the stretch drive but could not find more down the lane to be a factor in the late running. CRUMLIN BEACH co-trailed on the outside midway down the backstretch, was hard ridden making a brief rally circling foes four wide on the outside at the five sixteenths pole, shifted out widest in the six path turning for home, stayed on the left lead outside foes down the lane and weakened at the furlong marker.
