Footnotes | [View Glossary Of Terms](#)

THOR'S CAUSE had a stalking journey ahead of one runner in the early stages, co-trailed inside another while on the rail with five sixteenths to go, began to lengthen stride smartly shifting out at the quarter pole, had a full head of steam in the five path midway down the stretch and under steady gain got up in the last few jumps for the win. TRIP ACES was nudged on pressing the pace outside on the first of two turns, was content to let the leader go ahead tracking the pacesetter by the half, began to reel in the frontrunner through the second bend, pounced two wide poking his head in front in upper stretch, kept holding on inside down the lane but gave way grudgingly in the final seventy yards to share for the second place award at the finish line. PARADISE PERFECT travelled outside in midfield, moved in narrowing the margin on the lead two by the half, edged up through the far turn to be in the mix of things in the four path straightening out for home, dug in determinedly between foes with a sixteenth to go battling up top but was outfinished by the stablemate nearing the wire for the win. POCKET SPEED had his head cocked inside breaking a touch slow at the start, recovered quickly to take this field into the first turn on the rail, shook clear by the half, was collared outside with a quarter mile remaining, offered little resistance at the top of the lane and faded inside runners by the furlong marker for a minor role in the end. ROYAL ENTRY was void of early foot seeing the field in the first half of this route race, caught up to a rival outside who just happened to be the eventual winner at the five sixteenths pole, shifted out four wide turning for home but failed to menace outside

foes through the lane. BIG SCREEN BOSS emerged with a slim lead in the two path under the wire for the first time, tracked the leader while between rivals on the first turn, settled into stride on the outside in the second flight along the backside, could not keep up to others making a move on each side at the quarter pole and yielded on the rail in upper stretch.
