Footnotes | [View Glossary Of Terms](#)

ANOTHER CHARLIE travelled well hounding the pace outside along the backstretch, moved in to battle outside up front around the turn, shook clear, opening up at the quarter pole and was kept to the task late to win comfortably in a solid debut. STIRLING CASTLE was nestled on the fence watching the engaged duo early on, came under a ride saving ground but could not gain in the contesting lead pair through the turn, shifted out three wide turning for home, was no match for the winner by the furlong pole but did finish up willingly to be a distant runner up at the wire. GUS'S DRUMBEET had a poor start trailing in the beginning, stalked ahead of only one other runner down the backstretch, made little headway travelling three wide around the oval, swung out widest in the five path straightening for the drive, found his best stride late and finished up with energy being a clear third while just missing out in the duel for the place share outside. DILWAALA had the outside position in mid-division travelling three deep along the back straight, kept pace still outside others while remaining three wide on the turn, was in the mix in the four path between runners in upper stretch but evened out with a furlong still to run to settle on the fringes in the end. TEMPLE HALL broke inwards on the start, was hustled having the lead on the rail down the backside, dueled inside with the eventual winner throughout the turn, gave way up top by the quarter pole, did not switch leads down the stretch, shortened stride and wilted inside rivals by the furlong marker. MORE THAN SCAT settled between rivals in the second flight along the backside, dropped back unable to quicken with runners on each side at the quarter pole and showed little running in the fence down the lane. BLACK THUNDER was unhurried trailing the field down the back straight, lagged well behind unable to get into gear around the bend, lost touch with the group at the top of the lane and cantered home.
