Footnotes | [View Glossary Of Terms](#)

FORESTERS EXEC was unhurried co-trailing outside another in the four path along the backside, began to pick up the bit outside reaching for more ground around the turn, was full of run widest having a clear path five wide at the top of the stretch and flew home outside foes late to edge away for the stretch running win in the final few strides. BRITTANY'S WAY had a hustling ride on the fence down the backside to watch the pacesetter inside another at the half, sat a few lengths behind following the frontrunner on the rail throughout the turn, moved in by the quarter pole, shifted out finding a seam in the two path with an eighth still to run, poked her head in front momentarily inside with a sixteenth remaining but was outkicked in deep stretch by the winner outside. RARIFIED (IRE) sat alone in midfield having the rail down the backstretch, made no progression in the two path with runners on either side on the turn, shifted out to the three path lacking running room in upper stretch, moved out finally getting a clear run at the sixteenth pole and was surging late but could not get to the lead two in time at the finish line. GO GEMMA shared the rear inside another while in the three path down the back straight, could see the field taking the shortest way around the oval, scraped paint in upper stretch, offered a mild rally finding a seam in the two path between horses at the furlong pole and finished up setting on the fringes in the end. SCARY SPEEDY vied between runners early on, was taken a hold of letting the speed runner go on with it by the half mile marker tracking on the outside, closed the gap when scrubbed for more midway on the turn to be in the mix three wide at the top of the lane, could not find another gear for the drive and wilted between rivals in the final sixteenth of a mile. EPISODE had a slim advantage on the outside three deep early on, opened up loose up top on the fence by the half, rolled along unchallenged around the bend, was clinging up top just off the rail in upper stretch, had nothing left to offer for the late drive and folded insider runners by the furlong pole.
