MRS. G was content on the outside tracking the frontrunner, took closer order inside another by the half, moved in vying for the lead between foes at the midpoint of the last bend, battled tenaciously outside the pacesetter through the drive and just inched away for the hard fought win at the finish line. HOLY ANITA was hustled utilizing the rail position getting the early advantage, scooted away up top while slowing the tempo down midway along the backstretch, had company outside when headed two rivals at the five sixteenths pole, kept finding more in the two path clinging g onto the front end down the stretch but just could not fend off the relentless pursuit of the winner in the final few strides. BERTHA had inside position in tandem with another sitting in midfield, was taken up, being checked slightly at the three eighths po,e losing some momentum, saved ground through the last turn, had a good rail skimming rally closing in smartly inside foes in the last eighth of a mile and won the show award while not too far off for the win as well when crossing the finish line. SUVARI (FR) was all alone on the rail watching the lead three runners, crept up on the fence midway through the far turn poised behind the embattled trio with a quarter mile to run, angled out three wide with clear run looming boldly in upper stretch, chipped away at the lead duo down the lane and held for a minor share in a five horse scramble at the wire. PAT'S HOLIDAY was two wide close to the back end being only ahead of the troubled starter in the beginning, made little

movement along the back straightaway, narrowed the margin going three wide on the last bend by the quarter pole, swung out widest in the six path straightening out for the drive and had good late energy outside in the final eighth of a mile to be in the mix at the wire in a tight finish for the top five positions. KASUMI'S GHOST travelled three wide in mid-division, commenced a run two wide between horses at the three eighths marker, shifted to the three path inside another at the head of the lane and was gradually gaining late may were in the stretch running but could not get into contention at the finish line. KISS ME BABY settled near the rear between foes having a couple of runners beaten in the early stages, started to make a three wide rally trying to circle around foes at the three eighths pole, had aim on the contested duo four wide turning for home but failed to fire through the stretch drive. BALLET BEAUTY had a good spot forwardly placed while isolated keeping a close eye on the top two rivals, inched closer three wide at the five sixteenths marker making a bid outside the engaged pair by the quarter pole, was pushed out to the four oath in the conversation up top taking the final corner but could not find more late and folded between horses in the final furlong. RED HIGH HEELS bobbled outwards on the break, travelled three wide seeing the field early on, remained at the rear but closed the gap down the ba side, lagged well behind unable to keep up to the pack in the running through the far turn and could not factor in the drive to the wire.

APELDOORN was hustled up along the inside and set the early pace then opened up into the turn before racing all out through the stretch and held sway on the wire. PRIME RATE broke inward and hit the gate at the start then settled off the early pace before circling while five wide through the turn and was gaining late for place. HIGH BEAM got squeezed at the start then move up to race just behind the early leaders through the turn before looking for room near the 1/4 pole but steadied then altered to the inside and made a rally late. MANN COURT rated in the second flight early and waited behind a wall of horses into the turn then altered to the four path at the top of the stretch and made a bid between horses while running on late. BACK STREET DRIVER raced close up with a rail trip into the turn then was urged along the inside at the 1/4 pole and made a bid into the stretch but faltered late. WONDERFUL QUALITY got away alertly and pressed the early pace then angled off the inside to make a bid at the top of the stretch but flattened out late. FULL STAR

stalked the early pace while three wide and chased to the lane before giving way in the stretch. WONNEBE ME was void of early speed and saved ground into the turn then angled nine wide into the stretch but made no rally. APOLLOMAN chased the early pace while four wide and contended for a half mile before fading in the stretch.

SILVER RALEIGH was brushed by the inside foe at the start, relaxed nicely just sitting back off the pacesetter in the early running, hounded the leader outside heading into the turn, could not wait any longer seizing control, going on with it outside by the three eighths marker, open up slightly just off the fence in upper stretch and was kept to the task finding something in reserve in deep stretch to hold off a couple of late challengers outside for the win. WILLY STYLES stumbled on the break to be close to the back having only the other poor starter beaten, started to pick up horses rallying inside at the five sixteenths pole, swung out widest in the seven path gathering more speed taking the final corner and charged home smart,y outside through the Kane but just missed getting to the winner on time at the wire. CHANCHITO was well positioned nestled on the rail watching the lead pair early on, tracked the leader inside another around the turn, moved to the four path in the hunt straightening out for the drive and kept determinedly fighting between foes in the late stages being a clear third while not very far off the top two spots as well in the end. FUN FELLA had a good spot on the outside keeping tabs on the lead three rivals down the backside, tracking in the second flight with an inside foe through the bend, angled to the five path in the mix at the top of the stretch and ran on evenly in the final eighth of a mile to hold for a minor placing well behind the top trio at the finish line. PARADISE PERFECT settled in midfield paired up with an inside rival, offered little progression around the oval, angled out to be seven wide at the quarter marker and could only finish up one

paced never threatening in the drive to the wire. TURBO CHARGED was away slowly spotting the field along the back straight, continued to lag behind throughout the turn, hugged the tail turning for home and managed to catch a couple of leg weary foes in the final furlong. LAWYER MASON settled inside another sitting in the middle of the pack throughout, moved out to the five path at the top of the lane, shifted to the three path having little run at the furlong pole and could not get involved in the late running. HOLY RAMBO broke outwards on the start, was hard held tossing its head fighting the rider while up top down the backside, offered little resistance when collared outside by the eventual winner in midturn and emptied out faltering in the fence through the stretch drive.

COTTON got away alertly and set a pressured pace then was roused nearing the 1/4 pole and opened up into the stretch, drawing clear late. MASTER SPY rated in the second flight while tucking in early then made a rail bid into the stretch to get up for place. ALFRED BELLOWES got squeezed at the start and settled mid-pack early then tucked in to race along the rail in the turn and closed willingly late. DONTGOBACKONURWORD was void of early speed before being asked near the 3/8 pole then split horses at the 1/4 pole before altering to the six path at the top of the stretch and closed with the best stride late. NOISY CRICKET was reluctant to load into the gate but got away well and pressed the early pace before being urged to keep up through the turn but faltered in the stretch. JMR SPEEDY ESCAPE settled along the inside early and waited into the turn before angling while five wide into the stretch and was asked but just raced evenly late. LIEUTENANT STAN got squeezed at the start then was allowed to settle with a rail trip before being asked into the stretch but had no response. SILENT FORTUNE was hustled away from the gate and chased the pace while three wide, flashing brief foot but faded into the stretch.

LOVEUMISSUMEANIT was well positioned on the fence rating kindly watching the front two foes in the first part of this two turn event, sat poised on the rail at the three eighths pole waiting for instructions from the rider when to go, moved out looming boldly three wide turning for home and when asked pounced outside at the furlong marker drawing away impressively for the victory in the late running. I'M TENACIOUS was fleet footed on the rail through the initial turn, continued up top dictating a slower tempo along the backside, spurted away once again at the quarter pole for a moment but could not fend off the overpowering winner outside in the final furlong but still running on well enough to easily best the rest for the runners up share at the wire. GO GIFFEN was l the outside if another close to the back, made no progression stuck behind runners on the rail midway down the back straight, crept up making a sharp move on the final bend inside of a trio of rivals at the quarter pole and ran on willingly just off the fence through the stretch drive being a distant third when crossing the finish line. AUSSIE HYPER shared the rear on the inside, improved between runners in the two path at the half, rallied two wide splitting foes leaving the quarter pole, angled out to the five path in with a chance for a piece of the prize at the head of the lane and ran on mildly down the stretch to be a fringe player in the end. MADAM GWEN hopped outwards then stumbled in the way down at the break, recouped to be three wide keeping tabs on the lead three rivals on the first of two turns, moved in three wide midway along the second bend to briefly make a bid outside the frontrunner by the quarter

pole, could not continue fighting up top four wide in upper stretch and faded with horses on either side in the final eighth of a mile. PICKFORD SWEET was a joint ast to begin, travelled three deep still at the rear but well within striking distance with the field bunching up at the half with the pace slowing down, made little impression going three to four wide around the final turn and could not be a factor in the stretch drive. MORE MONEY HUNNY was in tight being squeezed between runners soon after leaving the gate, settled near the rear inside early on, advance three deep outside foes along the back straightaway, kept pace going three to four wide around the far turn, was floated out to the six path turning for home and tired outside of runners. MY GIRL SKY was up close tracking the line speed leader, moved in hounding the pace outside down the backstretch, could not quicken with the leaders retreating between runners while under a drive at the five sixteenths pole, was checked in tight surroundings three wide leaving the quarter po,e losing all run and was wrapped up on the fence by the furlong marker.

READY TO COLLECT raced close up while keen to go under a tight hold early then loomed to challenge at the 3/8 pole and took over at the 1/4 pole, drawing clear late in the stretch. REAL SAVVY was hustled up and set the early pace before being headed at the top of the stretch but was all out through the lane and ran on to hold place at the wire. WAGNER got away alertly and stalked the early pace then rallied into the stretch and just missed late for place. GIVEMEMYTHEMUSIC was void of early speed then circled while five wide into the stretch and made a bid but faltered late. BACHELOR PAD rated in the second flight early with a rail trip then was asked into the stretch but just raced evenly late. HEMLO GOLD rated in the second flight early while under a tight hold before being urged along into the turn while four wide but made no rally in the stretch. LE GRAND GARCON reared slightly at the start then tucked in and was void of speed while never a factor.

VERDEJO was away alertly getting the early advantage, had a trio of rivals forcing the issue outside at the five eighths pole, edged clear getting an outright lead again by the three furlong marker, rambled on unopposed through the bend, shifted just off the fence well in control at the top of the stretch and kept finding more when called upon down the lane to win going away for the gate to wire tally. FLYING BLACK was in a great spot all by himself watching the contesting quartet down the backstretch, tracked the frontrunner with two other outside foes midway around the turn, had the two path in the thick of things in upper stretch but could only give futile chase in the stretch while besting the rest at the finish line. SPIRIT BEAR was away slowly co-trailing on the outside, made no gain three wide outside of runners in the turn running, swung out widest reaching for more ground in upper stretch and closed in belatedly getting up just before the wire outside capturing the show money. HARD TO CAPTURE was part of the early mix on the front end having the two path, took back being wrangled back of the now lead trio at the half mile marker, made a sharp swooping move three wide at the five sixteenths pole around horses, posed the main opposition four wide at the head of the lane but could not continue the rally and faded between runners in the final furlong only holding for a minor share in the end. YOU BE THE JUDGE moved in through the chute to prompt the issue four deep outside entering the backside, chased the loose leader two wide between challengers in midturn, shifted to the three path at the top of the lane but wilted inside of rivals at the sixteenth pole. ROCKET

RILEY shared the rear travelling in tandem with an outside runner down the backstretch, inched closer taking the shortest way around the oval, moved out to the four path turning for home but lacked a rally in the drive. CATCH THE DRIFT broke inwards filling the void left by the slow starter, pressed the early pace between runners in the three path into the backstretch, gave way unable to keep battling up top in the two path with rivals on both sides at the seven sixteenths pole, was hard ridden two wide just trying to hold forward position throughout the turn, shifted to the five path for the run to the wire but had little to offer in the late going.

C MY MEISTER rated kindly well in hand with runners on either side sitting in mid-division at the three quarters marker, patiently wait for cue to move on the fence at the three furlong pole, shifted out accelerating quickly in the eight path turning for home, powered past under a hand ride at the furlong moving smartly taking the lead and won in dominating fashion by many at the finish line. QUIET INTENT pressed the pace on the rail initially, took back slightly tracking inside at the midpoint of the backstretch, had the fence in the second flight moving comfortably around the bend keeping a close eye on the engaged duo, angled out getting a clear lane three wide at the three sixteenths pole, burst between runners making a bid for the lead at the furlong marker briefly bit could not quicken with the overpowering winner in the late stages still finish up well albeit a distant second best. BRITISH ARTILLERY had the fence sitting in midfield through the back straightaway, was under a snug hold watching the front foursome around the bend, shaved the corner picking up the bit, moved out to the five path get a clear lane at the furlong marker and charging home late getting up just before the wire for the show award. THIS DUDE A BREEZE was situated four deep outside foes in the third tier with six furlongs remaining, took closer order two wide tracking the contesting pair while outside another on the turn, bid four wide for the top spot in upper stretch but evened out in the last sixteenth of a mile being nabbed outside late for the third place share taking a minor placing instead. NINJA STAR was forwardly placed tracking the frontrunner outside in the beginning, chased the leader two wide around the oval, shifted to the four oath still in the mix at the quarter marker but faded three wide in the final eighth of a mile losing a couple of placings in deep stretch. LITTLE RED DOMI was roused up top with rivals on either side early down the back straight, maintained a slim lead saving all the ground on the turn, skimmed the fence clinging onto the front end with three sixteenths from the wire but could not find another gear late yielding to outside rivals at the sixteenth pole. ECHO WITH LAUGHTER he the rail position ahead of only two runners in the early stages, made no gain going three wide throughout the turn, angled to the six path looking for running room at the top of the lane and when getting clear failed to fire in final furlong. AMERICAN DECISION had the two path stalking the lead threesome moving between horses down the backside as well as throughout the turn, shifted to the five path for the stretch run but could only finish up one paced and could not get involved in the late going. POSTURING was unhurried trailing at the back when the field sorted itself out midway along the backside, continued to lag behind the group just off the rail around the bend, swung out widest to the ten path in upper stretch but could not get into contention through the stretch drive. JIM'S HOPE was allowed to settle into stride having only one runner beaten in the early going, took closer order going three to four wide throughout the turn, moved outwards to the eight oath with a quarter mile from the prize but had little to offer shifting inside through the drive finishing up on the rail in the end. TRUE SHOT settled in the middle of the pack while three deep, travelled three wide on the turn keeping pace but driven on to do so, angled out to the nine path turning for home but came up empty by the furlong pole. PRINCE OF THIEVES settled in the third flight between rivals with three quarters remaining, ran evenly holding his own three wide in the turn running, angled out nine wide at the top of the stretch but had nothing left to give folding between foes by the eighth pole.
