MRS. G was content on the outside tracking the frontrunner, took closer order inside another by the half, moved in vying for the lead between foes at the midpoint of the last bend, battled tenaciously outside the pacesetter through the drive and just inched away for the hard fought win at the finish line. HOLY ANITA was hustled utilizing the rail position getting the early advantage, scooted away up top while slowing the tempo down midway along the backstretch, had company outside when headed two rivals at the five sixteenths pole, kept finding more in the two path clinging g onto the front end down the stretch but just could not fend off the relentless pursuit of the winner in the final few strides. BERTHA had inside position in tandem with another sitting in midfield, was taken up, being checked slightly at the three eighths po,e losing some momentum, saved ground through the last turn, had a good rail skimming rally closing in smartly inside foes in the last eighth of a mile and won the show award while not too far off for the win as well when crossing the finish line. SUVARI (FR) was all alone on the rail watching the lead three runners, crept up on the fence midway through the far turn poised behind the embattled trio with a quarter mile to run, angled out three wide with clear run looming boldly in upper stretch, chipped away at the lead duo down the lane and held for a minor share in a five horse scramble at the wire. PAT'S HOLIDAY was two wide close to the back end being only ahead of the troubled starter in the beginning, made little

movement along the back straightaway, narrowed the margin going three wide on the last bend by the quarter pole, swung out widest in the six path straightening out for the drive and had good late energy outside in the final eighth of a mile to be in the mix at the wire in a tight finish for the top five positions. KASUMI'S GHOST travelled three wide in mid-division, commenced a run two wide between horses at the three eighths marker, shifted to the three path inside another at the head of the lane and was gradually gaining late may were in the stretch running but could not get into contention at the finish line. KISS ME BABY settled near the rear between foes having a couple of runners beaten in the early stages, started to make a three wide rally trying to circle around foes at the three eighths pole, had aim on the contested duo four wide turning for home but failed to fire through the stretch drive. BALLET BEAUTY had a good spot forwardly placed while isolated keeping a close eye on the top two rivals, inched closer three wide at the five sixteenths marker making a bid outside the engaged pair by the quarter pole, was pushed out to the four oath in the conversation up top taking the final corner but could not find more late and folded between horses in the final furlong. RED HIGH HEELS bobbled outwards on the break, travelled three wide seeing the field early on, remained at the rear but closed the gap down the ba side, lagged well behind unable to keep up to the pack in the running through the far turn and could not factor in the drive to the wire.
