Footnotes | [View Glossary Of Terms](#)

MISTER BLUE moved up early and set a pressured pace, battling through the turn then was roused at the top of the stretch and opened up into the lane while holding sway on the wire. HAPPY TO BE HERE rated in the middle of the pack early while under a tight hold nearing the half mile pole then waited into the turn before moving to the rail and rallying late while clearly second best. SILVER COAST got off slowly and was void of early speed before being asked on the turn then ducked to the inside in the stretch and gained belatedly. LOHAN broke sharply and stalked the early pace then contended to the stretch before faltering late. MARSHALLTOWN rated in the second flight early with a three wide trip before altering six wide at the 1/4 pole and was asked but made no rally late. NAMED FIREY was reluctant to load into the gate then chased the pace and contended to the 1/4 pole before drifting out in the stretch and faded late. WILL WIN got off slowly then was allowed to settle and saved ground through the turn but made no rally late.
