Footnotes | [View Glossary Of Terms](#)

TEQUILASOUPERNOVA broke sharp for the front, shook loose up top by the five eighths pole, rolled along through the turn unchallenged running well within herself around the bend, stayed on the incorrect lead down the entire lane but it did not make a difference, still winning impressively cruising for the win still under a hand ride when crossing the finish line. JULIET ON APPROACH pressed the pace in the beginning, was then content to track the runaway leader along the backside, was asked for more but could not gain on the winner through the turn on the fence, chased to no avail down the stretch and easily bested the rest for the runners up placing at the wire. HINT was allowed to gather herself seeing the field down the backstretch, made little progression around the bend, figured things out for the stretch drive and had good late energy extending one's stride smartly in the final furlong to capture the show money in the end. CRUMLIN FASHION travelled four deep outside rivals in mid-pack at the half, came under a ride just trying to keep up to horses midway around the turn, angled out four wide for the stretch drive and ran on evenly to settle on the fringes in the end. SUNLIT was brushed outside on the break, settled in midfield along the backside, could not keep up to others having a stalking trip around the oval , moved out to the five path for the drive to the wire but lacked a rally down the stretch. MONTY'S INN broke in on the start, tracked in the second flight outside another foe in the early going, was unable to match strides with the freewheeling winner around the bend, still remained in the mix in the three path for a minor role at the top of the lane, had little for the late running and tired between horses at the furlong marker.
