Footnotes | [View Glossary Of Terms](#)

MISS VYVYANNE shot clear for the early advantage, had company outside at the half, was let out a notch repelling the early challengers by the five sixteenths pole, opened up again turning for home, was well in control when asked for more on the fence at the eighth pole, was kept busy in deep stretch and just lasted by a quickly diminishing margin at the wire. BREEZERO settled in midfield early on, had the inside in the second flight watching the front pair on the turn, shifted out three wide coming with a run in upper stretch, stormed home late but just missed getting to the frontrunning winner at the line. MARIAN CROSS (GB) stalked near the rear settling into stride, travelled in the second flight outside another keeping pace throughout the turn, shifted out four wide being brushed inside by another rival at the top of the lane and ran on mildly in the final furlong saving the show money in a photo at the finish line. HOSHIANA (FR) broke a touch slow to see the small group of runners along the backstretch, travelled three wide outside foes making little progression around the turn, moved to the five path for clear run at the top of the lane and found her best stride late, charging at the finish line and almost got up for the third place share outside in the end. BULLET had an outside tracking position in the beginning, took up the chase pressing the pacesetter outside at the half, could not keep up to the winner inside by the midpoint of the turn and had little left for the drive, wilting on the fence at the furlong marker.
