HARD RIGHT settled inside another all the while keeping a close eye on the lead duo in the early going, started to reach for more ground three wide outside a couple of rivals by the three eighths pole, was in full flight pouncing outside in the six path in upper stretch, seized control by the furlong marker and drew off late increasing the winning margin when crossing the finish line. BEYOND ADVERSITY was content to let the inside runner go ahead dictating the pace down the backstretch, travelled two wide shadowing the pacesetter around the bend, took closer order between foes making a bid up front in the four path straightening out for the drive, had the two path chasing the winner in earnest with a furlong to go but was no match before the win by the sixteenth pole but determinedly dug in late lasting at the wire from a oncoming outside foe to be a solid second best. BALTIC SEA had a slow start being close the the back end initially, Meade a good move improving between runners getting better position before heading into the turn, ranged closer two wide between rivals at the three eighths pole, angled out five wide in the mix at the top of the stretch, could not get to the winner in the final furlong but still had a very good late rally outside being a clear third while almost closing in to get the place share at the wire. AUNTIE'S BAMBINO broke sharp but then was taken back to be near the rear three deep with three quarters of a mile remaining, was in tight having to be steadied in the three path between horses at the five eighths marker, made little headway close to the back in the turn running, shifted to the three path at the top of the lane a sped ran on evenly for a minor role in the end. SMOKIN EMPIRE had a poor start breaking out having to be checked leaving the gate, smartly recovered moving to the lead inside by the three-quarters marker, rolled along quickening the tempo on the engine around the turn, skimmed the fence holding on up top turning for home, surrendered the lead inside to two runners by the furlong pole and wilted on the rail in the late stages. FOREVER FROSTY stumbled on the break trailing at the start, moved up being hustled on the fence but then had to be wrangled back in coming up sharply behind the frontrunner at the five furlong marker, could not keep up to the lead duo by the three eighths pole and ran out of steam folding just off the fence by mid-stretch. COMET'S EDGE was away alertly in the beginning, dropped back in the early running outside to be at the tail end five did with the group clustered at the five eighths pole, made no impression last on the outside through the turn, angled out to the five path for the drive but could not be a factor in the late going.

WHISKEY N ICE had a slim lead on the outside along the backside, continued up top while pestered by the inside rival throwing it down eye to eye through the turn, maintained the advantage in the two path at the top of the stretch, edged clear disposing of the early speed rival moving to the rail when leaving the furlong marker and stubbornly kept finding more inside late fending off the outside charge by the runner up in deep stretch for the gutsy win. GIRLS WEEKEND had the fence keeping a tabs on the contesting pair down the backside, began to reach for more ground being urged on at the quarter pole, shifted out to the three path looming the main opposition taking the corner and tried in earnest in the final furling but did not have enough to reel in the winner in the late stages. ROCKET RILEY was unhurried lagging being the group in the early stages, started to lengthen stride on the fence passing an outside foe at the three furlong pole, angled to the three path finding her best stride down the lane and closed in smartly in the final furlong winning the show honours while trying to get the place share outside at the wire. FAIRHOPECURLY was bumped by the outside runner at the start, advanced outside along the backstretch straight to track the lead twosome outside while four deep at the half, edged closer going three wide in the bend by the quarter pole, drifted

out being widest in the six path in with a chance outside for a piece of the prize turning for home and under a vigorous ride finished up only evenly but held at the wire to be a fringe player at the end. SOUPERGIRL dueled inside the frontrunner down the backside, continued to argue up top on the rail throughout the turn, scraped paint still fighting inside in upper stretch but weakened shifting off the rail in the final eighth of a mile. SOBIECH broke inwards on the break having only one runner beaten down the backside, was relegated to last being passed by an inside foe at the three eighths pole and showed some late interest bursting between weary runners in the final furlong running. GENIUS OF LOVE settled in the two path sitting in mid-division with runners on either side down the backstretch, was in tight having to be reined back at the seven sixteenths marker, kept pace being ridden along around the oval but could not factor lacking a rally in the stretch running. QUIET MADDELENA was hustled leaving the gate getting the early advantage, relinquished the top spot to a couple of inside runners by the five eighths pole, chased the embattled pair two wide between horses through the turn making little gain, shifted to the five path entering the stretch but had little to offer faltering by the furlong marker.

SUVARI (FR) angled in early, tracked the leading trio from inside saving ground through the turn, altered out a path or two in upper stretch and was put to urging, bid between foes near the sixteenth pole, was brushed lightly, edged clear and held. MY TURN NOW was reluctant to load, went quickly to the lead, set the pace from off the rail, was asked at the quarter pole, drifted a bit in the stretch, brushed the winner lightly in late stretch, kept on and just saved second. FRAC'S C E O broke awkwardly, advanced mildly inside, saved ground early on the turn, moved out nearing the five-sixteenths, fanned four then

five wide into upper stretch, kicked on well but just missed the place. FULLY COMPLETELY shifted in leaving the backstretch, saved ground on the turn, came out a bit turning for home then altered out seven wide in late stretch, ran on but needed more. SILENT EXECUTIVE pressed from between runners racing three wide on the turn, bid in mid-stretch drawing just about even but lacked the needed late kick. CLASSIC DISCOVERY broke just a step slowly and in a bit tight, raced near mid-pack two to three wide between runners, swung out seven wide into upper stretch, was carried out in late stretch. KASUMI'S GHOST broke a step slowly, switched outside a rival heading into the turn racing three deep, was ridden past the three-eighths, swung seven to eight wide for the stretch run, was carried out a bit in deep stretch, needed more to threaten. PHEW stalked two to three wide, shifted in at the top of the stretch, ran on inside. SIX FOR A NINE trailed racing off the inside, failed to rally. RED HIGH HEELS chased from outside going four wide on the turn, steadily dropped back on that bend, faded. BALLET BEAUTY moved forward outside, pressed four wide on the turn, faltered and faded.

BLIND RIVER had the lead on the fence utilizing the inside post, patiently let the outside rival dictate the pace down the backstretch, calmly u def a well rationed out ride cruised to the lead once again on the rail at the three furlong marker, spurted loose in the two path at the top of the lane and had to be ridden out to the very end with the fast losing outside runner up coming on sharply in deep stretch but got his nose down right at the finish line lasting for the win. CRYSTAL PEARL was allowed to find his feet galloping at the tail end in the early stages, started to make a rally on the rail at the five sixteenths marker, shifted from the fence straightening out for the drive opting to go widest for clear run four wide instead of going between runners at the furlong pole and was full of run closing outside with every stride in deep stretch but with one final surge just missed getting to the winner at the wire by a nose. ROYAL PRESENCE had the four path getting bounced around between horses in midfield on the first turn, settled close to the back four deep through the backstretch, made a sharp rally around horses three wide on the last turn, shifted out to the four path in the hunt outside in upper stretch but evened out in the last sixteenth of a mile to be all alone at the finish line the show award. HELLO STRANGER had the two path in a stalking position getting bumped by the troubled outside rival around the first turn, was under a snug hold watching the lead duo at the half, kept coming narrowing the margin in the front pair at the quarter pole, hugged the rail in the mix at the top of the lane but faded inside in the final furlong holding for a minor placing with the field quite strung out in the late running. LOVER BOY MO travelled five wide outside three rivals heading into the initial bend, took closer order three deep down the backside tracking the lead duo by the five eighths pole, could not keep up to rivals making a move retreating two wide between horses on the far turn at the quarter pole and came up empty five wide in upper stretch. GUERRA prompted the pace on the outside in the first of two turns, took over control outside entering the backstretch, lost the lead to the inside early leader once more at the three eighths pole, chased two wide but to no avail through the second turn and

gave way shifting to the three path between runners at the top of the stretch. COPA DE PLATA broke outwards but was quickly corrected leaving the gate, had a rough trip in the three path in tight getting jostled between horses tracking the lead pair around the first turn, settled near the rear between horses at the half, dropped back to last while roused for more at the five sixteenths pole, lost touch with the group at the head of the lane, was not persevered with through the stretch and walked off.

TWISTING PISTONS stalked the leading pair solo from off the rail early then was joined by foes inside and out racing between runners from the nine-sixteenths, advanced further on the leaders on the far turn, angled out and was asked past the quarter pole, came into upper stretch six wide with aim, struck the front by the sixteenth pole and edged clear. HOT OMELET broke on top, attended then ceded the lead heading into the first turn, switched outside the pacesetter and advanced on that one, dueled outside up the backstretch and far turn taking command past the three eighths, was challenged in mid-stretch and no match for the winner but saved the place. ALBIE FIRST broke a step slowly and was strongly urged, was still caught outside foes three to four wide early, advanced four deep up the backstretch racing four to five wide on the far turn, ran on late but missed second. CANDID CANDACE settled at the back inside, was coaxed forward up the backstretch reaching striking distance in behind the leading pair on the far turn, tipped out at the top of the stretch two to three paths, ran on but needed more. JUICY HANNA settled off the pace dropping back between runners at the rear, advanced with those rivals up the backstretch, was ridden along three wide between foes passing the three-eighths, failed to rally. PICKFORD SWEET broke inwardly, was intent on the lead moving forward outside a foe and clear on the first turn shifting in, battled inside up the backstretch and far turn exchanging possession of the lead, weakened in the stretch.

RELOAD BABA was brushed by the outside foe on the break, recovered quickly having a slim lead inside another down the backside, continued to be pestered outside up top while just being nudged along the fence maintaining the advantage, shook loose while still well in hand with the outside early speed rival throwing in-the towel at the quarter pole, opened up at the top of the stretch being asked for more to have a commanding lead with a furlong to go and won comfortably under a poised front-running ride. NOYZEE GIRL was forwardly placed in the beginning, dropped back inside to be a joint last on the rail by the half, lagged behind the group around the bend, shifted to the five path picking up the bit, moved out even further getting clear run seven wide at the furlong pole and stormed on home in the final eighth of a mile to best the rest for the secondary share. LITTLE ALEXA had runners on both sides while in midfield down the backstretch, advanced two to three wide around the turn closing in smartly at the quarter pole, angled to the four oath in the hunt taking the corner and ran in willingly between runners for the show award but was nabbed outside in the late running for the place share. ALMASTY'S LUST had the rail position sitting in mid-pack, regressed briefly inside of two others in midturn, was resurgent finding a seam three wide at the top of the lane, had to alter course outside losing its path at the furlong marker and finished up mildly capturing a minor award in the end. AMI'S CRY was well placed isolated behind the contesting duo along the back straightaway, edged up two wide around the turn at the quarter pole between runners but could not find more for the stretch drive and faded inside of horses with a furlong remaining. BUTTERFLY BILLIE broke with the field but dropped back to last entering the

backstretch, co-trailed on the outside at the half, made no headway going three wide around the oval, swung out widest to the eight path for the stretch run but could not get involved between runners in the final furlong. MISS CANDY GIRL broke outwards on the start, settled in midfield three deep down the backside, travelled three to four wide around runners taking closer order by the quarter pole,, moved out to the six path in with a chance for a small share turning for home but tired between horses in the final sixteenth of a mile. OOKPIK battled outside for the lead down the backside and throughout the turn, could not keep pace fighting up top with the eventual winner inside at the quarter pole, and stopped in the four path between runners in upper stretch.

ELGIN PARK tracked on the rail early down the backside, was eager having to be throttled down on heels drafting behind the pack setter at the seven sixteenths pole, settled into stride relaxing on the fence behind the leader waiting for the cue to move through the turn, shifted out looming boldly cruising up to the front three wide at the top of the stretch and drove on by with authority at the furling pole seizing command to win quite comfortably when crossing the finish line. SOUPER STRIDER broke to the inside trading brushes with another leaving the gate, could see the field while outside down the backstretch, moved well in hand picking up an inside rival beginning to make a run at the three eighths pole, angled to the rail gathering more speed at the quarter marker, rallied sharply on the fence through the lane but could not get to the winner late and still finishing up quite strongly easily besting the rest at the wire for the runners up share. FRAC RIGHT had a narrowly lead on the inside through the back straight, shook loose taking control by the three eighths marker, continued on unopposed through the turn, had the two path with company outside that being the eventual winner at the top of the stretch, offered. had no answer surrendering the lead by the furlong pole and faded inside runners in the final sixteenth of a mile just holding onto the show money at the finish line. BIG BOLD AND FIRST broke outwards exchanging brushes with the outside rival on the start, tracked the engaged duo while outside another along the backside, was under a busy ride just keeping pace through the turn, drifted out widest to the five path straightening out for home and had good late energy outside almost getting up for the third place share at the wire. COHERENCE settled near the rear inside, was relegated to last being ridden on for more around the oval making little impression, had the two path passing a leg weary rivals outside at the furlong pole but could not get into contention in the late running. TEMPLE HALL broke just a touch slowly on the start, prompted the pace outside down the backstretch, could not keep up to the frontrunner by the

three eighths pole having to chase two wide through the turn making no headway while being driven on, shifted to the four path for stretch drive and folded between runners in mid-stretch.

MOSCATO BABE was quickest of of the gate clearing away and crossing over quite easily to be loose on the engine by the half, rambled on well within herself unchallenged throughout the bend, had plenty more when set down being shook up by the pilot at the furlong pole and won going away by many for the frontrunning score. LADY DAYRELLS tracked the frontrunner between foes in the early going, chased the leader determinedly two wide on the turn inching closer briefly by the quarter pole, moved to the four path in the thick of things in upper stretch, dueled outside another for the runners up share with the winner pulling away a furlong from the prize and timed the nod right at the wire between runners getting her head down besting the rest for second money. NO MISTAKE bobbled slightly on the break, rated kindly under a snug hold keeping eye on the line speed leader down the backstretch straight, took the shortest way around the turn waiting for the cue to go sitting behind the pacesetter, hugged the rail in the hunt at the top of the stretch, was no match for the overpowering winner by the furlong pole and fought on valiantly inside two runners battling for the secondary award but lost the nod at the wire in a tight photo while saving the show award by a nose in a blanket finish. DANCE WITH ME BABY was away sluggishly co-trailing inside the other troubled beginner down the backstretch, started to come with a smart run closing in on the group at the quarter pole, had the two path looking for a seam behind rivals in upper stretch, finally had clear run three wide at the furlong pole and charged home in deep stretch surging outside at the wire but was on the losing end of

a three way finish for the place share. PUBLIC KNOWLEDGE had the three path between runners tracking the line speed leader, closed the gap three wide through the turn on the pacesetter, moved to the five path entering the lane but failed to fire when flattening out at the furlong marker. SPERANZA MIRACOLA hesitated on the break then veered inside having to be taken a hold of sharing the rear outside with the other poor starter down the backstretch, could not quicken around the turn going two to three wide being a solo last by the five sixteenths ang lacked a rally down the lane but did manage to catch an inside weary straggler right at the finish line. HEAD COACH D R had a couple of runners beaten while four deep in midfield along the backside, took the overland route creeping closer four wide around foes at the quarter pole, swung out widest in the six path straightening out the drive to the wire but had little to offer in the stretch running.
