Footnotes | [View Glossary Of Terms](#)

POCKET SPEED had a clear advantage while in hand on the fence at the half, comfortably opened up in midturn, was well in control in mid-stretch and cruised home for the frontrunning tally. BIG SCREEN BOSS had a good spot nestled on the rail in the tracking flight early on, edged up on the fence by the five sixteenths pole, angled three wide straightening for home in the mix, was no match for the winner by the furlong pole and finished up determinedly getting the better of others for the secondary share at the finish line. SAMMYSAURUS REX had a slow start but recouped to prompt the pace outside down the backstretch, chased the winner but to no avail throughout the turn, dueled for the runners up share in the two path at the top of the lane with the winner long gone ahead, drifted to the fence at the furlong pole and ran on willingly to hold for the show money. AWESOME BEAT was off a step slow to be on the rail part of the rear trio down the backside, took the short way around the turn, started to reach for more ground on the fence at the quarter pole, scraped paint coming with a rally turning for home, altered course three wide at the furlong marker and ran on mildly just coming short of closing in for the third place share at the wire. BEE ME was pushed in by the outside foe at the break, co-trailed between runners down the backside, made little headway three wide around the oval, shifted to the five path turning for home but could not get involved. SUNSET SKIPPY was taken up briefly soon after the start, recovered to track on the outside of another watching the engaged duo at the half, was hard ridden in the two path between rivals at the three-furlong pole going in the wrong direction around the turn and could not factor in the late running. DANCING SHAMAN broke inwards on the start, shared the back while three deep outside a couple of foes down the back straight, offered a brief run three wide at the three furlong pole but stalled between foes by the quarter marker and came up empty for the stretch drive.
