Footnotes | View Glossary Of Terms

GILT EDGE vied between runners at the start, had a brief lead at the five furlong marker, relinquished the top spot to an outside rival by the half, patiently shifted outside at the three eighths pole, re-engaged by the quarter mile marker, seized control outside in the five path turning for home and when urged on for more with a right handed crop drew off impressively to win going away at the wire. SUMMER COMMANDER broke inwards on the start but quickly recovered to have a head in front leaving the chute, was reined back off the lead duo with company outside midway along the backstretch, moved up two wide on the turn when nudged for more at the quarter marker, angled to the three path in the hunt entering the stretch, rallied smartly down the lane chasing the winner in vain through the final furlong but was just a clear second best on this day. PERFECT CRIME was a joint last three deep with a half mile remaining, ranged up along the turn going three to four wide throughout taking closer order when urged on at the quarter pole, swung out widest to the six path for the stretch run, dueled for the show money unable to get to the front two rivals by the furlong pole and stuck his neck out right at the wire capturing the third place award. FRACEN MACHO was near the rear in the beginning, advanced down the backside to be in the second flight outside another at the half mile pole, edged up three wide around the turn by the quarter marker, shifted to the four path in the conversation up front in upper stretch, ran on with good energy in the final furlong but lost the nod at the wire and had to settle on the fringes in the end. BACHELOR PAD was forwardly placed three deep in the mix up top in the beginning, cruised to the front end outside by the half, cleared away crossing over to the two path by the three eighths marker, surrendered the lead just off the fence in upper stretch and wilted inside horses in the last sixteenth of a mile. UNIQUE POWER was brushed by the outside foe on the break, had the fence under a hard hold part of the back threesome at the half, took the short way around the turn making little impression,

skimmed the fence improving slightly shaving the corner but could not get involved any further inside runners in the final furlong. CAUGHT SPEEDING had runners on either side sitting in midfield early on, shared the rear at the half between foes, made no impact regressing on the turn, was relegated to last in the three path at the top of the stretch and could not factor in the drive to the wire.
