LOIS LEN took control right on the onset, had an uncontested lead at the half going comfortably, cruised along having little pressure applied by rivals through the turn and under a well rationed ride had more when called upon in the final furlong to safely cross the finish line for the gate to wire score. LADY MOONSHINE settled on the inside in mid-pack down the backstretch, edged up under a snug hold on the fence by midturn, shifted out off the leader coming with a run at the quarter pole, loomed three wide between horses turning for home and determinedly chased the winner in vain through the stretch. MITOLE POWER travelled outside another in midfield down the back straightaway, advanced gingerly between runners three wide having the loose horse on its outside throughout the turn, was in the hunt four wide outside the lead two rivals straightening out for the drive and ran on willingly in stretch to last for the show money at the wire. I HAVE AN IDEA had a stalking trip ahead of a couple of horses down the back straight, made little progression just off the fence

around the bend and while in the five path for the drive finished up one paced down the lane to garner a minor placing in the end. KATHERINE'S GEM shared the rear outside a couple of runners early on, could see the field with a half mile remaining, picked up a challenger moving on the outside at the quarter pole two wide and could only manage to pass a weary foe while running on the rail at the furlong marker. MAGIC MODIE was quite content to sit behind the loose frontrunner down the backside, closed the gap when roused for more between runners at the midway point of the turn, could not quicken with rivals on either side who were mounting a rally at the quarter marker and faded in the two path by the eighth pole. KID GIZMO hopped up slightly on the break, co-trailed inside runners down the back straight, stalked ahead of only one rival at the half, regressed on the oval to be in last on the rail at the quarter pole and could not get involved in the stretch running. IRON PYRITE stumbled badly going to her knees at the start unseating the rider and walked off. STEWARDS INQUIRY REGARDING THE START OF #8 IRON PYRITE WAS DEEMED TO HAVE RECEIVED A FAIR START
