Footnotes | View Glossary Of Terms
COTTON was hustled clearing away getting to the rail loose up top by the half mile marker, rambled on unopposed on the engine well in hand through the turn, skimmed the fence well in control at the head of the lane and was kept to the task in the final furlong holding sway at the finish line for the front end score. YACHT BOY had the rail sitting in midfield down the backside, kept pace saving all the ground around the oval, shifted to the three path in the mix straightening out for home, could not get to the winner in the final sixteenth of a mile but still finished up strongly closing in late while easily besting the rest for second money. MAGIC POWER broke inwards getting squeezed between runners on the start, co-trailed inside another while in the three path midway

down the backside, made a sharp move for better position splitting runners heading into the turn, edged closer three wide at the quarter pole, moved to the four path in the hunt entering the stretch and ran on willingly just saving the show award from a fast closing foe at the wire. DREAMING OF KONA broke in at the start, shared the rear outside in the four path through the back straight, travelled four wide on the turn picking up inside rivals at the five sixteenths pole, swung out widest to the six path gathering more speed, angled inwards bursting between horses in the two path finding his best strdie late with a sixteenth to run and just missed surging on the rail for the show placing at the finish line. NIAGARA SKYLINE pressed the pace inside initially, conceded the front end by the half, chased on the fence making no headway on the turn, had the two path in upper stretch but could not find more for the final eighth of a mile and weakened inside runners in the late going. FRIENDLY GHOST had runners on either side while in mi-division down the backstretch, regressed three wide on the turn by the quarter marker, remained in the three path for the drive to the finish line but showed little in the stretch run. POLITICAL WARFARE settled in midfield three deep down the backside, was shuffled back at the three furlong pole to trail the group by midturn, scraped paint turning for home but could not factor inside in the stretch running.
