Footnotes | View Glossary Of Terms
ZEPHYROS was brushed by the outside rival on the break, forced the early pace on the inside then was rein back letting the frontrunner go ahead while shifting to the outside by the five furlong marker, began to reel in the pacesetter at the three furlong pole moving confidently, pounced two wide on the outside taking control sharply by the quarter marker and in the two path in upper stretch was shook up for more and opebed up with ease by the furlong pole cruising home for the win. CYCLONE TAYLOR travelled four deep ahead of only a couple runners down the backside, continued a four wide journey ranged up around foes through the turn, angled out to the five path turning for home and was grinding away on the outside, could not come close to the dominant winner in the final furlong but fought on stubbornly between horses in deep stretch getting the head in front in a scramble at the wire for the place award. PROUD PAINTER had rivals on both sides close to the back end at the half, made no progress going two wide around the oval, swung out widest in the six path in upper stretch and was full of run outside in the late running just coming shy with the late charge for the secondary share at the finish line. YOU MULE was in the early mix three deep in the beginning, took back off the leaders at the five eighths pole, had a busy ride being scrubbed on for more chasing the front duo on the fence throughout the turn, shifted to the three path between foes entering the stretch, darted to the rail at the furlong pole getting clear run fighting for the place award and took home a minor award in a four way blanket finish for the runners up share. EGBERT WHO was on the outside of another tracking the lead pair at the midway point through the backside, was paired up with an inside rival chasing the contesting duo at the

quarter pole, angled to the four path taking the corner and fought on stubbornly between horses but was slightly outkicked in the final seventy yards on the wrong end of a four way finish for second. PERFECTWORKS was allowed to find his stride trailing on the fence down the backstretch, lagged behind the group taking the shortest way around in midturn, angled out to the four path at the top of the lane but could not get into contention behind runners in the final furlong. GONE WITH DUWYN broke inwards on the break, had a head in front between horses leaving the chute, cleared off by the five eighths pole, moved well on the fence through the turn but surrendered the lead to the winner by the quarter pole, shifted to the three path trying to hold for the place share with the winner well ahead in mid-stretch but could not find more late and faltered between runners in the final sixteenth of a mile. HARD RIGHT had the fence sitting in the middle of the pack early on, shifted out looking for running room behind horses but to no avail, angled back to the rail finding a seam in upper stretch, had to be checked leaving the furlong marker when an outside rival came over losing all its run and could not recoup to factor thereafter. STEWARDS INQUIRY REGARDING #5 HARD RIGHT AND #4 YOU MULE AT THE FURLONG POLE RESULTED IN NO CHANGE
