Footnotes | View Glossary Of Terms

INTERIM ANALYSIS was under a good hold moving well duelling on the rail for the top spot in the early stages, had a slim lead saving all the ground patiently being nursed along up front through the turn, spurted away smartly being coaxed for more skimming the fence at the top of the stretch and had enough to prevail but by a quickly diminishing margin at the finish line. SOUPER STRIDER was allowed to settle into a rhythm having only one runners beaten down the backstretch, made little impact just off the rail throughout the bend, shifted to the four path full of run in the last eighth of a mile and was gaining steadily with every stride in the late stages but could not get to the winner in time. TIME ZAPPER had the rail near the rear, improved position slightly taking the shortest route running around the bend, angled out four wide at the furlong marker coming on between runners and was closing in quickly on the winner with seventy yards from home but was in tight on the fence with the rider up in the saddle being checked right at the finish line losing the place duel. ALPHA KADIN was void of early foot trailing down the backstretch, lagged hind the group around the oval, shifted to the four path passing an outside

rival straightening out fir the drive and had his best run late outside three others in the final sixteenth to get up for a minor award. TEMPLE HALL battled outside arguing for the front end down the backside, was driven on two wide chasing the pacesetter outsider at the quarter marker, remained in the mix inside a couple of runners at the head of the lane but weakened on the rail in the final furlong. BIG LEW was situated on the outside of another in midfield along the back straight, narrowed the margin three wide on the frontrunner on the turn by the quarter pole, angled to the four path in the conversation for a share taking the corner but flattened out between runners by the furlong pole. NOISY CRICKET had the rail position in the mix up top initially, took back off the lead duo by the nine sixteenths pole, travelled two wide measuring the front pair around the turn, angled to the three path closing in to be in the thick of things in upper stretch but could not find more late and wilted between runners in the final sixteenth of a mile. GOOD TO BE LUCKY settled inside another along the backstretch in mid-pack, had little to offer backing away two wide through the turn, shifted out to the five path being to last turning for home and could no factor in the stretch running. RIDERS OBJECTION COMING TO THE FINISH LIBE #1 TIME ZAPPER AGAINST #8 SOUPER STRIDER WAS DISALLOWED
