Footnotes | View Glossary Of Terms

PERFECT RING travelled three wide tracking the front two rivals, remained in the three path keeping a close eye on the pacesetter down the backside, moved in ranging up three wide through the far turn making her presence felt at the quarter pole, posed the main threat in the four path turning for home and wore down the very determined inside frontrunner in the shadow of the wire. CLASSIC DISCOVERY utilized the inside post leading on the rail around the first of two turns, continued up front setting a pedestrian tempo along the backside, still controlled the soft pace being nursed along on a slim lead inside through the second bend, edged away under a well rationed out ride at the top of the lane and kept giving more when called upon in the late drive but could not hold off the winner outside in the last few jumps. PAT'S HOLIDAY had a nice trip tucked in on the fence drafting behind the frontrunner throughout, continued to be nudged along poised on the fence at the quarter pole waiting to make a move, shifted out to the two path in mid-stretch finish up with good intent to be a clear third but could not reel in the embattled top duo in the last sixteenth of a mile. LITA MARIE pressed the issue outside in the early going, was content to sit just back off the slow pace set by the leader down the backside, moved in on the far turn vying between runners for the lead two wide at the quarter pole, had the three path with runners on both sides in the hunt at the top of the kane but could not find more in the late going and faded between foes leaving the furlong pole settling on the fringes in the end. FULLY COMPLETELY had the rail position near the rear, made little progression along the backside, made a brief rally shifting out coming on at the five sixteenths pole to be in with a chance widest in the five path straightening out for the drive to the wire but stalled with its run by the furlong marker. KISS ME BABY travelled two wide close to the back in the early stages, was urged for more on the far

turn but could not keep up to others with the tempo quickening at the quarter pole, hugged the rail taking the corner but failed to menace in the stretch drive. FRONT GIRL was fanned out five wide trailing the group heading into the initial bend, remained outside foes three deep at the tail end with the group tightly compacted at the half, lagged behind runners unable to get anything going around the final bend, emptied out drifting to the five path straightening out for the drive and cantered on home well back of runners at the finish line.
