Footnotes | View Glossary Of Terms

PADRAIG was away alertly having the early advantage, contently took back letting the inside rival go on with it flanking outside moving very relaxed down the backstretch, sauntered up outside taking control easily by the five sixteenths pole, shook clear in an instant when coaxed to go straightening out for the drive and proved much the best winning as pleased at the wire. LAKE COMO HEIST was jostled getting bumped between runners on the break, recouped smartly down the backside sitting behind the lead duo at the half, tracked the front pair in the second flight with an outside foe through the bend, angled to the two path posing the only opposition to the winner at the head of the lane but gave futile chase while easily bested the others for the runners up position. FIELD HOCKEY settled close to the back outside in the early stages, narrowed the gap on the leaders getting to the fence by the half, started to commence a rail rally at the quarter pole, angled four wide for the drive to the finish line and ran on mildly to be a non threatening third. BACCARO POINT had the rail position ahead of only the troubled runner down the back straight, was a joint last on the fence making little impact around the bend, hugged the rail making a run taking the corner, shifted outside off the tiring early leader three wide at the furlong pole showing good late interest and ran on to be a fringe player. BANK ON BIG WINNER broke inwards on the start, was bearing out through the chute, sat isolated in midfield down the backstretch, ran in tandem with an inside rival watching the engaged lead duo through the turn, drifted out widest weakening in the five path turning for home and tired down the lane. SCOTTIE'S BARN broke out slightly on the start, was hard sent on the rail getting the advantage by the five eighths pole, surrendered the lead to the winner outside while being driven on for more midway through the turn and had little left from his early efforts and folded on the fence in upper stretch. NYCELY was steadied due to an inside foe moving sharply outwards then being in tight between horses through the chute, trailed the field along the backside, shared the rear outside another in midturn and could not factor in the stretch running.
