THAT'S A FACT was on the outside of another stalking the lead three challengers at the half mile marker, started to come with a run on the fence by the seven sixteenths pole, was geared down poised on the rail behind the front trio at the quarter pole, shifted to the two path aching for running room at the top of the stretch, moved out three wide at the furlong marker finally getting clear run and sharply drove past when urged for more outside in deep stretch to get the late running win. PUBLIC KNOWLEDGE was forwardly positioned three deep just off the lead duo along the backstretch, inched up measuring the front pair three wide on the oval by the quarter pole, pounced to the lead bursting between horses getting a head in front entering the lane, edged away for a clear advantage by the furlong marker but simply just could not withstand the late surge by the winner outside in the final seventy yards. SUPER RED travelled in the middle of the pack outside two others down the back straight, started to pass inside runners heading into the turn, ranged up circling around foes on the bend four wide at the quarter pole getting into contention, battled outside in the three path for the top spot in upper stretch, gave way between horses arguing for the win by the seventy yard marker and just had enough in reserve to last at the wire inside for the third place share in the end. DANCE WITH ME BABY had foes on either side sitting in mid-division, crept closer through the turn between horses going two wide, angled to the four path in the mix for a piece of the prize straightening out for the drive and finished up mildly on the fringes just coming up shy closing in outside at the wire for the show award. DON'T SAY A WORD was near the rear ahead of only a pair of rivals down the backstretch, travelled three to five wide narrowing the margin on the turn by the quarter pole, was fanned out widest to the six path in upper stretch and ran on gradually outside runners but was well back off the winning stablemate when crossing the finish line. CALL ME MISSLUCKY settled in midpack inside a couple ,of runners in the early going, had to be throttled down getting checked slightly at the seven sixteenths pole losing all its momentum, shifted out three wide at the quarter marker, moved to the five path for the drive to the wire but could not get involved in the stretch running. MISS BRIT advanced on the rail through the chute poking a head in front by the nine sixteenths pole, continued to maintain a slim lead taking the shortest way around the bend, offered no resistance on the fence surrendering the lead being swarmed by outside rivals at the top of the stretch and weakened further inside horses at the furlong marker. SIX FOR A NINE had the fence running down the backstretch with only one runner beaten, saved ground on the turn but could not make any headway, shifted to the three path for the stretch drive and managed to pass a couple of weary inside runners in the later stages. FLIGHTMARE was situated inside the eventual winner keeping a close eye on the lead three rivals down the backstretch, dropped back on the fence unable to quicken with runners at the three eighths marker, narrowed the margin getting into gear briefly two wide at the quarter pole, hugged the rail taking the corner but failed to fire in the final eighth of a mile. A TOUCH OF SASSY broke outwards on the start trailing the group down the backside, continued to be at the rear through the turn running and could only manage to pass a straggler in deep stretch. HEAD COACH D R was under a snug hold having the early lead between runners in the beginning, relinquished the front end to an inside rival by the half, chased two wide between horses through the turn and had nothing more left to give stopping with runners on either side by the furlong marker.
