Footnotes | View Glossary Of Terms

DONTGOBACKONURWORD had the rail position sitting in mid-division, was going the wrong way retreating on the fence with the lead duo slipping further away by the five sixteenths pole, shaved the corner starting to reach for more ground, was resurgent shifting outside in the three path with a furlong from home and determinedly wore down the leader in the final seventy yards for the late charging win. CRUCIAL TAUNT travelled four deep part of the tracking quartet down the back straight, moved in ranging closer three wide at the three eighths pole, inched up outside through the turn to get a head in front of the inside pacesetter at the top of the stretch, cleared away up front angling to the rail with a furlong to go but could not find more in reserve in deep stretch when the winner was charging past outside and just lasted inside at the wire saving for the place share. HARPER CITY had a narrow advantage between runners leaving the gate initially, took back being reined in letting the outside foe dictate the pace entering the backstretch, tracked the loose leader between rivals at the half, was scrubbed on for more chasing the engaged pair at the five sixteenths marker, had runners on either side while four wide in the mix taking the corner and ran on with energy in the final furlong capturing the show money. COOLER MAN shared the rear on the outside, started to make a good rally circling a couple of runners three wide in midturn, angled to the five path in with a chance straightening out for the drive but evened out in the final eighth of a mile outside others to only settle on the fringes in the end. IF YOU INSIST was the quickest in the beginning clearing away and crossing over

from the outer post loose up top on the rail still under a snug hold by the nine sixteenths marker, had company forcing the pace outside midway around the oval, relinquished the lead inside while two wide turning for home, tried to counter on the fence but had to be steadied with the leader drifting inwards at the furlong marker, lost all its momentum afterwards and could not factor late. AWE INSPIRED co-trailed on the inside down the backstretch, lagged behind the rest of the group through the running around the turn, , shifted to the two path catching an outside rival at the head of the lane but failed to be a menace in the stretch drive. CATHOLIC JACKIE had the two path between horses in midfield in the early going, dropped back at the half mile marker, made little impression being roused for more on the turn, shifted to the four path getting passed by an inside runner dropping back to the rear in upper stretch and had little to offer down the lane. STEWARDS INQUIRY REGARDING #6 CRUCIAL TAUNT AND #8 IF YOU INSIST AT THE FURLONG MARKER RESULTED IN NO CHANGE
