Footnotes | View Glossary Of Terms

KING RONIN was under a hard hold loose up top setting a moderate tempo on the first turn, rolled along unopposed bunching up the field midway down the backside, comfortably kept controlling the pace with no pressure being applied by rivals on the second bend and when set down in upper stretch had plenty left to give winning smartly for the wire to wire score. MAKER'S FLATTER was allowed to settle into a rhythm having only one runner beaten in the beginning, could see the tightly compacted field at the half mile marker, rallied three to four wide circling around foes along the last turn, angled to the five path posing the only threat at the head of the lane but could not reel in the winner who had much left for the stretch drive. MAD WORLD was unhurried trailing the field on the first bend, shifted out advancing three deep down the backside improving to midfield by the half, crept up going three wide midway though the far turn, shifted to the four path in the hunt between foes at the top of the stretch and finished up evenly to be a clear but non threatening third in the end. FIN DEL MUNDO was paired up with an outside rival keeping a close eye on the frontrunner, could not rally on the fence with others as the pace quickened midway along the far turn, shifted to the three path in upper stretch and finished up mildly winning the duel inside late for a minor placing. SUNSET SKIPPY had the inside position with another being situated in the middle of the pack, could not match strides with challengers to be at rear end at the three eighths pole through the final bend outside, swung out widest in the six path taking the corner and managed to pass a couple of tiring foes down the lane. ITS IN THE CARDS tracked the pacesetter with in tandem with an inside runner for the first part of this two turn event, retreated two wide between

horses at the five sixteenths marker, shifted to the four path for the drive to the wire but had little to offer in the stretch running. DEVIL'S TONGUE lost a back shoe coming over then had to have his rear right hind one removed by the paddock blacksmith prior to the start therefore running the race with no hind shoes, settled outside a runner in midfield in the early stages, made a brief move chasing the runaway winner at the three eighths pole, came up empty in the two path running out of steam turning for home and was not persevered with cantering home in the final furlong.
